26. Penalty Clause:

- 26.1 If the Contractor fails to depute one well qualified engineer on all week days and on holidays (if required) from 0900 hrs to 1700 hrs for repairing and maintaining the items listed in AMC (Annexure-I) the Govt. shall, without prejudice to other remedies under the Contract, levy/deduct pre-estimated liquidated damages as (i) @ 0.1% (zero point one per cent) of the contract value of AMC for delay of each day or part thereof up to 07 (seven) days of delay, and (ii) @ 0.2% (zero point two per cent) of the contract value of AMC for delay of each week or part thereof on entire delay period if delay is between 08 (Eight) days and 30 (thirty) days and (iii) @ 0.5% (zero point five per cent) of the contract value of AMC for delay of each day or part thereof on entire delay period if delay is beyond 30 (thirty) days upto a maximum of 10% of contract value. The decision of Govt. shall be final in this regard.

- 26.2 The AMC will include rectification of all Hardware and Software problems. The Contractor will have to ensure that all calls are attended within 01 (One) Hour and the upkeep time for the repair of any system would be up to 01 working days. In Case of failure to do so, a penalty will be charged for downtime at the rate of Rs.100/- (Rupees one hundred only) per day or part thereof beyond the demarked time limit (48 hours from the time a complaint was lodged). In respect of Hard Disks formatting have to be completed within 24 hours of the lodging of complaint. The decision of Department shall be final in this regard.
- 26.3 The service engineer would take up any reported fault within one hour. As far as possible, the repair would be carried out on-site itself. However, in case the equipment is taken to the workshop of the contractor, the firm would provide a stand-by for the same within 24 hours. Failure to provide any stand-by arrangement, a penalty will be charged for downtime at the rate of Rs. 200/- (Rupees two hundred only) per day. The amount of penalty will be either recovered from the Bank Guarantee/Security for the work or from the AMC charges/bills.
27. Loss of any part in the product on account of negligence attributable to the contractor, the contractor at his own discretion may reinstate or replace the malfunctioning / non-functioning part or whole of the product with a working part or whole of the product of a matching or higher configuration.
28. A formal agreement would be signed by both the parties. The successful bidder shall get the correct amount of Stamp Duty adjudicated in accordance with the applicable law, and submit the same duly stamped and executed within ten days from the dispatch of 'Letter of Acceptance'.
29. It is the responsibility of the contractor to ensure the functioning of Computer System and other hardware. Bidder is advised to first ensure the condition of system listed in Annexure-I by visiting the locations before filling the bid document.
30. The quantities mentioned in the Annexure-I may either be increased or reduced at the discretion of Director of Transport (before/after assigning the tender at any stage).
31. **Payment:** No advance payment in any case would be made. However, quarterly payment after satisfactory completion of each quarter would be made. The firm shall prepare the bill in triplicate against Director of Transport, Port Blair and submit for payment.
32. The rate quoted/prices charged by the Contractor should not exceed the prevailing rates charged by it from others for similar services. While claiming payment the Contractor shall also give a certificate to this effect in its bill.

33. The Purchaser/Department reserves its right to terminate the maintenance contract at any time without assigning any reason. The contractor will not be entitled to claim any compensation against such termination. However, while terminating the contract, if any payment is due to the contractor for maintenance services already performed in terms of the contract, the same would be paid to it as per the contract terms.
34. Non-adherence of any of the above terms may lead to rejection of their bid.
35. If it comes to the notice of the department that the firm is causing inordinate delay due to any matter or is not able to perform the work, the entire award shall be cancelled after giving notice to the firm. Further, the present bid shall be cancelled and the firm shall be barred from participating in the future bids, without any liability or claim by the successful bidder.
36. If any dispute or difference arises on account of breach or observance, compliance of any of the terms and conditions of Tender, the department and the firm shall make every effort to resolve amicably by direct informal negotiations, any disagreement or disputes, arising between them under or in connection with the contract. In case of failure of informal negotiation, it shall be referred for arbitration to a person nominated by the Hon'ble Lt. Governor, A & N Islands. The proceedings shall be subject to the Arbitration and Conciliation Act, 1996 as amended from time to time.
37. In case of poor performance of the successful bidder, the Department shall have the right to cancel the tender at any point of time and call for fresh tender, irrespective of the validity of the tender.
38. All disputes arising out of this contract shall be subject to jurisdiction of Court at Port Blair.
39. Representatives of the Director of Transport if required may inspect the offices, work place of the contractor to ascertain whether the firm has the necessary wherewithal to undertake the job. The decision of the representatives during such visits would be final and binding.
40. Mere quoting lowest rates will not amount to commitment on the part of Director of Transport for award of contract. Director of Transport, Port Blair reserves the right to accept or reject any or all tenders without assigning any reasons.
41. It shall always be lawful for the Department to ask the firm to suspend or stop the contract, as the case may be without any claim or compensation, whatsoever.
42. The purchase committee can summarily recommend to the competent authority for rejection of any or all of the bids if the same is found to be incomplete in any respect.
43. The Director of Transport shall have the powers to impose any other condition or relax any of the conditions prescribed in the tender document, which shall not be objectionable by any bidder.

44. **Force Majeure:** For purposes of this Contract "Force Majeure" means an event beyond the control of the parties to the contract and not involving either party's fault or negligence and not foreseeable. If at any time during the existence of the contract, either party is unable to perform in whole or in part any obligation under this contract because of an event rendering performance of obligations impossible which include acts of God, War, hostility, civil commotions, strikes floods, earthquake, epidemics, quarantine restrictions, fright embargoes or explosions, then the date of fulfilment of contract shall be postponed during the period when such circumstances are operative. The party which is unable to perform its obligations under the present contract shall, within seven (07) days of occurrence of the Force Majeure event, inform the other party with suitable documentary evidence. If such inability on account of force majeure to perform continues for a period of more than three (03) months, each party shall have the right to be released from further performance of the contract, in which case, neither party shall have the right to claim damages from the other. All prior performance shall be subject to contract terms. The Contractor shall not be liable for forfeiture of his performance security, pre estimated liquidated damages or termination if and to the extent that delay in performance or other failure to perform its obligations under the contract is the result of Force Majeure.
45. No terms and condition other than as stipulated above will be entertained. Tender without acceptance of the terms and conditions stipulated above is liable to be rejected.
