In the above context, it is to submit that Shri. Anup Mondal has been issued two wheeler rental license vide no. MT/1-21/STA LICENSE/2018/35 with the authorization for renting 06 Nos. Two-Wheelers and having validity upto 10/01/2028. The details are as under:

Now, Shri. Amit Mallick, S/o. Kartick Mallick, R/o. Shyam Nagar, Swaraj Dweep has requested for transfer of permits and License under 'Rent-a-Motorcycle' Scheme in his name.

**Decision:**

STA approved the request of the applicant to transfer the ownership of the above mentioned two wheelers operating under Rent a Motor Cycle License and also to transfer the license subject to fulfilling all the requirements under the Scheme.

1.2.b.(ii) **Shri. Amit Mallick, S/o. Kartick Mallick, R/o. Shyam Nagar, Swaraj Dweep** has requested for transfer of permits of 04 Nos. Contract Carriage Two Wheelers having permits to ply in all routes of Swaraj Dweep and their inclusion in the Rent a Motorcycle License which he has purchased from Smti. Phulita Halder, W/o. Manojit Halder, R/o. Vijay Nagar Nagar, Swaraj Dweep.

In the above context, it is to submit that Smti. Phulita Halder is the registered owner of the below mentioned fossil fuel two wheeler vehicles. The details are as under:

S. No.	Vehicle No.	Permit Issued on	Permit valid upto

On further scrutiny, it has been found that Smti. Phulita Halder has operated the above mentioned two wheeler vehicles without obtaining Rent a Motorcycle License.

It appears that **Smti. Pulitha Halder** has failed to get the rental licence for renting two wheelers and rented the Motorcycles without having valid license and thereby violation of the provision contained under Rent-a-Motorcycle Scheme 1997 MV Act.

Though, there is no penalty clause in the Scheme for penal action for renting motorcycle without having valid license but the STA can suspend the permits of the vehicles or can impose mutually agreed penalty as the vehicles were rented without License under the scheme.

STA in previous instances had imposed a penalty of Rs. 1000/- per vehicle per year for renting two wheelers under Rent-a-Motorcycle Scheme without obtaining license.

Now, **Shri. Amit Mallick, S/o. Kartick Mallick, R/o. Shyam Nagar, Swaraj Dweep** has requested for transfer of permits of 04 Nos. Contract Carriage Two Wheelers having permits to ply in all routes of Swaraj Dweep and their inclusion in the Rent a Motorcycle License.

STA also directed the Incharge, STS Unit Swaraj Dweep to enforce the decision of the STA.

**Decision:**

STA decided to approve the request as per the previous similar approvals given to Trailers subject to submission of feasibility report from DySP (Traffic).

**1.3.d. M/s. SAS Transports, Delanipur, Sri Vijaya Puram** vide their applications dated 17/03/2025 have requested permission for conversion of routes to Nicobar District permits for their vehicle bearing registration number AN01/S-8630 from all routes of Teressa Island & their vehicle bearing registration number AN01/S-8657 from all routes of Katchal Island respectively.

In the said letter, the firm has stated that in the absence of Nicobar District permit, they are unable to provide their vehicles for various government departmental hiring purposes and requested to convert the existing permits from all routes of Teressa Island and Katchal Island respectively to Nicobar District Permits.

The details of the vehicles are tabulated as under:

S. No.	Registration Number	Owner Details	Permit Details	Remarks
1.	AN01/S-8630	<b>M/s. SAS Transports, Delanipur, Sri Vijaya Puram</b>	Goods Carrier All routes of Teressa Island Validity: 08/09/2029	
2.	AN01/S-8657		Goods Carrier All routes of Katchal Island Validity: 15/09/2029	

In the above context, it is to submit that the STA has been issuing Andaman District Permits (North, Middle & South Andaman, North & Middle Andaman and South Andaman) due to the availability of road infrastructure providing connectivity in all the 3 Districts of Andaman. The Nicobar District consists of several segregated islands separated by water having connectivity via maritime transportation only. Also, STA has mandated the provision of production of parking area details for all the commercial vehicles and have been issuing separate permits for plying the vehicles in various islands of Nicobar District i.e. Car Nicobar, Katchal, Kamorta, Teressa, Campbell Bay, etc. Hence, the provision of a single Nicobar District permit is not feasible.

However, STA has been issuing temporary permits on case to case basis to the firms and individuals against the awarded tenders to the firms/individuals.

It is further to apprise that, STA in previous instances has considered the requests for conversion of permits from all routes of Car Nicobar to Nicobar District permits in order to facilitate the applicant to participate in the departmental tenders with the condition that the vehicles will be allowed to ply in that Island only on production of parking area details by the Permit owner to the local office of the Transport Department in that island.

**Decision:**

Accordingly, the two level Committees were constituted vide Order No. 2498, dated 03/07/2023. In the meeting held on 09.06.2023, **147 applications** (101 South Andaman + 43 North & Middle Andaman + 03 Little Andaman), which were received till 07.06.2023 were placed and STA decided to get it verified by 2<sup>nd</sup> level committee. Complying with the direction of STA, the 2<sup>nd</sup> level Committee examined all the 147 cases of fresh NOCs along with other Transfer cases and kept all the cases pending with the recommendation to place the matter in STA meeting for issuance of proper clarification on certain points of the guideline frames in 2007 so as enable the Committee to examine the applications properly.

Accordingly, STA decided to **obtain legal opinion from the Law Department by framing specific query as raised by the Committee pertaining to the guidelines/ conditions mandated by the STA vide its minutes of the meetings dated 2007, 2017, 2018, 2021 & 2023.**

Complying with the decision of STA, the matter was taken up with Law Department and on the point of “unemployed” the Law Department opined that the word unemployed has not been defined/ explained by the Department. On the other two points i.e. “whether person having permits for other categories of commercial vehicle should be given NOC / permits for passenger Autorickshaw or not?” and “whether the additional conditions would also be applicable in the case of transfer of vehicle / permit of passenger autorickshaw where fresh permits are issued in his / her name for a old purchased vehicle”, the Law Department opined that being administrative in nature, a policy decision may be taken at Administrative level.

To have a specific explanation/ definition on “unemployed”, the Labour Department was requested vide letter dated 15.12.2023 and the Labour Commissioner vide letter no. 13/MIS/2010-20/LC&DET/(PF)/1264 dated 27.12.2023 stated that according to the Report on Youth Employment-Unemployment Scenario Vol-II, 2015-16, Govt. of India, Ministry of Labour & Employment, Labour Bureau, Chandigarh the definition of the term “unemployed”

means ***“Persons, who are owing to lack of work, had not worked either sought work through employment exchanges, intermediaries, friends or relatives or by making applications to prospective employers or expressed their willingness or availability for work under the prevailing condition of work and remuneration are considered as those who are ‘seeking or available for work’ (or unemployed)”***. Further, the LC advised that STA may obtain “Unemployment Certificate” issued by Tehsildar from the applicants at the time of making applications for NOC to subordinate the proof of “unemployed”. Also, an undertaking from the applicant may be obtained stating that they are neither employed in the Government/ Private Sector nor Self-Employed before processing the applications for issuance of NOC/ Permits for passenger autorickshaws.

The matter was placed before the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 in its meeting held on 24/01/2024 wherein **the Committee decided to devise a format of “undertaking” and recommended to obtain “undertaking” in the prescribed format and “unemployed certificate” issued by the Revenue Department (Tehsildar Office) strictly as per the definition furnished by Labour Commissioner to substantiate the proof of “Unemployed”**.

Moreover, it is to apprise that all the cases of fresh NOCs received till 31.01.2025 which were placed in the STA meetings, were deferred. Now, 13 more applications have been received for issuance of NOC/permits pertaining to autorickshaws for the period 01.02.2025 to 14.05.2025 in respect of passenger Autorickshaw.

The details of pending applications of fresh NOCs in respect of passenger Autorickshaw are mentioned as detailed under:

STA in its meeting dated 08/07/2024 was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

*"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."*

**1.7. STATUS OF LITIGATION AGAINST THE AUTORICKSHAW PERMIT HOLDERS:**

It is to apprise that several complaints were received by STA stating that few persons are involved in the racket of purchasing passenger Auto-rickshaw in the name of eligible persons who are in possession of Local Certificate/ Islander Identity Card and leasing out the autorickshaws to Non-Islander Auto-rickshaw drivers by manipulating the conditions prescribed by STA for obtaining NOC/ Permits of passenger Auto-rickshaw. **Therefore, STA after scrutinizing the VAHAN database, decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.** Aggrieved by the decision of the STA, the autorickshaw owners filed writ petitions vide No. WPA/841/2023, WPA/842/2023, WPA/844/2023, WPA/846/2023 and WPA/11/2024, the said writ petitions were taken up for hearing on 12/02/2024, wherein the Hon'ble court disposed of the above mentioned writ petitions in terms of the answers given under the 4 issues and by way of the following directions:

- i. The condition restraining transfer of Permits, or any other conditions to the same effect, cannot be seen as being outside the statutory frame work. There is no scope for interference with regard to notices issued with specific regard to the Transfer of Permits or against the person who is otherwise unauthorized to drive the autorickshaw.
- ii. There is no scope for interference with regard to conditions which formed a part of the Permits at the time of issue and are within the parameters of the MV Act, including sections 73, 74, 82 and 86 thereof.
- iii. The respondents shall not give effect to the condition/ requirement for production of Islander Identity Card/ Local Certificate since such condition is not within the statutory contemplation. This condition has also been brought into effect through Meetings without following due procedure.
- iv. The respondents shall not give effect to any condition which was imposed subsequent to the date of the grant of Permit. This would mean conditions which were not part of the Permit granted by the respondents to the petitioners. The

- Court finds substance in the petitioners contention that the petitioners could not have been and were indeed not aware of the additional conditions imposed by the STA through its Meetings after the initial grant of Permits.
- v. The respondents shall only impose conditions within the mandate of the sections 73 & 74 of the MV Act for grant of new Permits and shall comply with the statutory requirements including under sections 84 and 85 of MV Act, 1988. Any additional conditions, including that of production of Local Certificate/ Islander Identity Card, will have to be put through the procedure envisaged under the MV Act and the A & N Islands M V Rules, 2006.
  - vi. The respondents shall be restrained from giving effect to the impugned notices including for suspension/ cancellation of Permits only if the notices were issued outside the statutory mandate of sections 82 and 86 of the MV Act.
  - vii. Any conditions which are imposed subsequently shall be given effect to after 4 weeks from the communication of the condition to the concerned stakeholders.

Challenging the part of the order dated 12.02.2024 i.e. the direction issued at Sl. No. iii and v which were against the stand of the STA i.e. production of Islander card/ Local Certificate for obtaining autorickshaw permit, the department filed an appeal before the Hon'ble High Court.

**Decision:**

STA was apprised of the report regarding examination of commercial vehicle permits vis-à-vis the existing commercial vehicles, daily tourist footfall, requirement for tourist mobility, traffic congestion, availability of road, parking space, allied activities and other factors etc for the island of Swaraj Dweep.

STA after deliberation decided to circulate the report amongst its members and consider the cases for issuance of commercial permits pertaining to Swaraj Dweep after in-depth examination of the report.

STA also directed to obtain the present status of the approvals accorded by the STA in its previous meetings for grant of NOCs/ Permits for the jurisdiction of Swaraj Dweep.

This decision is applicable for point no. 13.1, 13.2, 13.3, 13.4, 13.5, 13.6, 13.7 & 13.8.

**13.10. Shri. Nani Gopal Das**, R/o Swaraj Dweep, Ph- 9474206171 vide his application dated 13/12/2024 has requested permission for purchase and ply water tanker in all routes of Swaraj Dweep.

The applicant has applied for NOC on 28.04.2023 to purchase and obtain route permits for 02 Nos. water tankers vide application No. AN23042828210470 & AN23042818211114 in all routes of Swaraj Dweep.

The applicant in his application has stated that thousands of tourists are visiting in Swaraj Dweep daily and to provide food and accommodation, number of hotels & restaurants are running in the Island. Water is the basic need for the local residents, restaurants and hotels and to cater the water requirements, presently transportation of water is done illegally through normal trucks and vans compromising the safety of other road users. In the said application, the applicant has also stated that in one of the meeting of STA, a resolution was passed in which permits for water tanker to ply in Swaraj Dweep will be issued to such applicants, who possess Licence/NOC for water abstraction from UT Administration. Accordingly, the applicant has recently obtained NOC for ground water abstraction from District Administration for Swaraj Dweep.

In the above context, it is to submit that STA has received numerous complaints regarding illegal transportation of water through sintex and GI tanks and the Transport Department has taken penal action against the violations but the practice still continues.

No such decision has been taken by the STA wherein permits of water tanker to ply in Swaraj Dweep would be granted to applicants who possess Licence/NOC for water abstraction from UT Administration.

The case was placed in the STA meeting dated 12/02/2025 wherein STA decided to consider the case of Shri. Nani Gopal Das for the jurisdiction of Swaraj Dweep after examination of various factors like existing commercial vehicles, daily tourist footfall, requirement for tourist mobility, traffic congestion, availability of road, parking space, allied activities and other factors etc for grant of permits.

**Decision:**

STA was apprised that one request of Shri. Nani Gopal Das for water tanker has been approved at Point No. 13.3 and therefore, STA did not consider the request of Shri.

Nani Gopal Das for issuance of NOCs for more water tankers and ply in all routes of Swaraj Dweep.
