**c) 40 ft Trailer (Model No: U4620)**

**TABLE 11**

| Sl. No. | Name of the applicant  | Type of vehicle  | Parking area details   | Route applied |
|---------|--|--|--|---------------|
| 1       | Shri. R Veera Raj, S/o P Ramasamy, R/o Haddo, 9434281598/ 9933081598 | Ashok Leyland 40 ft. Trailer U4620<br><b>AN01/R-9226</b> | Shri. R Veera Raj<br>Sy No. 1908<br>Park Area: 50 sqmtrs,<br>Total Area: 9000 Sqmtr<br>Vill. Calicut | South Andaman |

STA was appraised that the applicant earlier applied for NOC for purchase of already registered BS-IV 40 ft. Trailer with no route and time specified. During the STA meeting held on 03/08/2022, the applicant's request was not considered, and STA decided to obtain clarification from the applicant. After being informed of the decision, the applicant requested issuance of NOC for Ashok Leyland BS VI GCV U4620 (40 Ft. Trailer) on routes between Haddo, Chatham, Junglighat, Coast Guard to Port Mort, Middle Strait and vice versa in the South Andaman District to operate only during night between 8 p.m. and 6 a.m. or as preferred by the STA.

STA reviewed the vehicle dimensions and route proposed by the applicant, and decided to forward the case to Traffic Police Department for the feasibility of route and timing. Traffic Police subsequently submitted its report, recommending the trailer be operated along the route of Port of Haddo, Chatham, Junglighat, and Coast Guard to Port Mout during the movement of less traffic between 9 p.m. and 05 a.m. Operating the vehicle upto Middle Strait Routes, however, was not recommended due to narrow, blind turns and steep descents that could lead to untoward incidents. **STA has accepted the recommendation of DySP (Traffic) in this matter and decided to issue Permit to the applicant as per the route and time proposed in the report.**

**d) 40 ft Low Bed Trailer (TATA Make BS-VI)**

STA was appraised that **M/s A&N Logistics Pvt. Ltd.** applied for NOC along with all the required documents for purchase of **40 Feet Low Bed Trailer-Tata BSVI** model with no route and time specified. The firm has submitted that the Trailer is required for shifting purpose of warehouse constructed at Sippighat, Port Blair. Accordingly, NOC has been applied to ply in all routes of **South Andaman**.

Considering the vehicle dimensions, STA observed that it is not feasible to allow the plying of 40ft. trailer in all routes of South Andaman as requested by the applicant. As such, **STA decided to obtain clarification on the specific route and time from the applicant in which he intends to operate the vehicle.**

**2. NOC FOR MOBILE CRANE TO BE BROUGHT FROM MAINLAND**

**2.1** STA was appraised that **M/s A & N Logistics Pvt. Ltd.** has applied for the issuance of NOC to bring 50MT capacity Mobile Crane. The firm submitted that their Excavator 210 machine is submerged in the sea water during the execution of work near Fisheries Jetty in Panighat since 20.09.2022. Due to unavailability of heavy lift crane at Port Blair to lift their excavator machine they intending to purchase mobile crane of model **SANY SPC 400-BS III** from Chennai. Therefore, **requested to grant NOC to bring 50MT capacity Mobile Crane.**

It has been informed to STA that Mobile Crane is a Construction Equipment vehicle as per CMVR 1989 and comes under the category of Non-Transport Vehicle. Hence, **STA decided to issue its No Objection.**

**2.2** STA was appraised that **M/s A & N Logistics Pvt. Ltd.** has applied for **NOC** for purchasing of 23MT Capacity **Mobile Crane (Model: ACE FX 230 BSVI)** to ply in all routes of **South Andaman**.

It has been informed to STA that Mobile Crane is a Construction Equipment vehicle as per CMVR 1989 and comes under the category of Non-Transport Vehicle. Hence, **STA decided to issue its No Objection.**

**3. APPLICATIONS FOR TRANSFER OF PERMIT WITHOUT CHANGE OF ROUTE / JURISDICTION**

STA was informed that **46 vehicle owners** have requested for transfer of permits from one owner to another owner and there is no change in the jurisdiction of permits already issued. As it is permitted under Section 82 of MV Act, **STA approved the transfer of permit in respect of 46 applications as given in TABLE 12 below without change in Route/jurisdiction of permit:**

**6. ISSUE OF NOC FOR TRANSFER OF COMMERCIAL VEHICLES PURCHASED FROM FINANCIER IN AUCTION PROCESS**

STA was appraised that in the below **05 cases**, the vehicles were registered under Transport Category with Hypothecation to various Financiers. The vehicle owners became defaulters due to non-payment of EMIs of loan. As such, the Financiers reposed the vehicles and sold the vehicles to the highest bidders through auction process. As per the request of Financiers, these cases have been initiated to transfer the vehicle in the name of financier after giving an opportunity to the registered owner for submitting his representation within 07 days as per Rule 51 (5) and 61 (3) of CMVR, 1989. For transferring commercial vehicles, NOC from STA would be required. Hence, the purchasers have requested to issue NOC from STA for transfer of these commercial vehicles in their name for its further use. Hence, **STA decided to considered all the 05 caes as given in**
