Smti. Ruchi Tiwari, W/o. Sudhir Kumar, R/o. Haddo, Port Blair vide her application dated 02.02.2024 has again requested for conversion of route permit from contract carriage to stage carriage for her vehicle (LP 1312 TC/52, Bus) bearing registration number **AN01/A-9919**.

It is to submit that the applicant vide her application dated 23.11.2023 had requested for conversion of route permit from contract carriage to stage carriage for her vehicle (LP 1312 TC/52, Bus) bearing registration number AN01/A-9919 and intended to ply the said vehicle in the below mentioned routes:

- Chatham to Medical via JNRM or
- Chatham to Calicut (Pema Junction) or

Furthermore, the STA was apprised that the vehicle bearing registration no. AN01/A-9919 was registered in the year 21.10.1998 and has completed more than 25 years of its useful life and considering the above fact, **STA in its meeting dated 05.01.2024 observed that the bus is more than 25 years old and not suitable for issuance of fresh stage carriage permit hence decided to reject the request of the applicant.**

It is further to submit that the applicant in the said letter has stated that the Transport Department has issued Stage Carriage Permits to the below mentioned buses:

S. No.	Bus No.	Earlier Route	New Route

Now, the applicant has again requested to consider her request for conversion of route permit from Contract Carriage to Stage Carriage for vehicle bearing registration No. AN01/A-9919.

STA after examining the case decided to refer the case to the Committee responsible for the examination of requests received for Stage Carriage Permits along with recommendation of a viable route for the operation of the said bus.

1.5 ISSUE OF NOC / PERMITTO ALREADY REGISTERED NON BS –VI COMPLIANT VEHICLES (PASSENGER)

1.5.a. Shri. Satyajeet Mondal purchased the vehicle (Nissan) and registered in the RTO, Port Blair on 14.12.2018. Being a local unemployed youth, the applicant applied for NOC for his vehicle bearing registration No.**AN01/N-7573 (Nissan BS IV)** on 19.07.2019 to ply in all routes of **Shaheed Dweep**. The case was placed in the STA meeting held on 04.04.2022 wherein STA decided not to consider the case and directed to apply afresh.

The applicant vide his application dated **16.08.2023** again **applied for grant of permit to ply in all routes of Shaheed Dweep** for the said vehicle. The case was placed in the STA meeting held on 30.08.2023 wherein STA after examination of the case decided that since the applicant had made their application prior to the imposition of mandatory condition regarding BS-VI emission norms, decided to get the vehicle inspected thoroughly for vehicle fitness and resubmit the case with fitness status in the next STA meeting.

Complying with the STA’s decision, a letter was issued to the applicant informing the same. The applicant has produced his vehicle before the Inspecting Authority on 01.11.2023 and the Inspecting Authority inspected the vehicle and found that the vehicle complies with all the parameters related to fitness of the vehicle satisfactorily vide its report dated 06.11.2023.

The case was placed in the STA meeting held on 05.01.2024 wherein STA after examination of the case decided to defer the case till the next STA meeting in view of the upcoming regulatory mechanism/ policy framework for commercial permits in Swaraj Dweep and Shaheed Dweep.

STA decided to defer the case and examine it on the basis of the outcome and findings of the Committee constituted by the STA to consider issuance of permits in Swaraj Dweep and Shaheed Dweep vide its meeting dated 08/07/2024.

1.5.b. Shri. Haridas Biswas vide his application dated 16/01/2024 has requested for change of ownership and fresh permit of the vehicle bearing registration number **AN01/J-9830** (Maruti Ertiga BS -IV) in his name.

The vehicle bearing registration number AN01/J-9830 is registered in the name of Shri. K. P. Raju on 05/01/2015 under the agreement of hypothecation with Axis Bank.

The Axis Bank vide letter dated 26/03/2022 has also informed that they have reposed the said vehicle on default of EMIs against the loan secured by Shri. K. P. Raju for the purchase of the said vehicle and sold the said vehicle to Shri. Haridas Biswas.

On further scrutiny, it has been found that the then owner, Shri. K. P. Raju vide his letter dated 23/01/2015 had applied for route permit to ply in all routes of South Andaman. Accordingly, he was issued NOC vide no. MT/STA/NOC4/2015/1157 dated 18/02/2015. The then owner, again applied for extension of jurisdiction of the NOC to ply in all routes of North, Middle and South Andaman vide his letter dated 30/11/2015. Accordingly, he was issued NOC with extended route.

However, the then owner, Shri. K. P. Raju did not apply for route permit and plied the said vehicle without obtaining route permit which is a violation of Rule provisions. Since the vehicle has been plying without permit since its registration, the penal amount prescribed as per Order No. I/8619/2023 dated 12/01/2023 for violating the permit conditions has been calculated as under:

- 05/01/2015 to 16/01/2024: 109 Months @ Rs. 1000/- = Rs. 1,09,000/-
- COVID Relaxation w.e.f. 01/02/2020 to 31/10/2021: 21 Months @ Rs. 1000/- = Rs. 21,000/-
- Applicable Penalty: Rs. 1,09,000-Rs. 21,000= Rs. 88,000/-

STA decided to approve the request of Shri. Haridas Biswas for grant of Contract Crriage Permit after payment of penalty calculated vide Office Order No. I/8619/2023 dated 12/01/2023 issued by STA i.e. Rs. 88,000/-.

1.5.c. Pranab Kanya Sangha vide their application dated 22/03/2024 has requested for waiver of fine amount on delay of fitness and permit.

In the said letter, the organisation has stated that the Sangha is a philanthropic and social organization wherein orphan, deserted and abandoned girls are residing from the year 1998. The State Bank of India in the year 2015 had donated a school bus (14 Seater) bearing registration number **AN01/K-2282** for these children and the Sangha has been operating the said bus without obtaining any route permit and fitness. Since, the Sangha has plied the vehicle without obtaining route permit and valid fitness certificate, huge penalty amount has been accrued on the said vehicle which the Sangha is finding difficult to bear.

It is to apprise that the penalty amount till the date of making application in the STA section has been tabulated as under:

MINUTES OF STA MEETING HELD ON 08.07.2024 (AS PER AGENDA: 02/2024)

Total:		Rs. 1,81,700/- (Rs. 94700/- + Rs. 87000/-)

The organization i.e. Pranab Kanya Sangha has requested to consider their case on sympathetic grounds and waive off the fine amount on account of delay in fitness and permit.

STA observed that the applicant organisation i.e. Pranab Kanya Sangha is involved in philanthropic activities by taking care of orphan, deserted and abandoned girls. Therefore, STA taking alenient view decided to waive off the penalty on account of delay in renewal of permit i.e. Rs. 87,000/-. However, the late fee on account of delay in getting vehicle fitness will have to be paid by the applicant.

1.5.d. Shri. Shyamal Gharami, S/o. G. C. Gharami, R/o. Kadamtala, North and Middle Andaman vide his application dated 25/06/2024 has requested for exemption of fine amount for his vehicle bearing registration number AN01/P-1877 (TATA Winger) having permit to ply in all routes of North, Middle and South Andaman.

In the said letter, the applicant has stated that he uses the said vehicle for school and passenger trips but due to pathetic road condition, his vehicle is frequently breakdown and kept idle for repair. The applicant has also stated that due to pathetic road condition and ill health, he couldn't visit the RTO, Port Blair for his permit renewal which was due on 18/03/2024. The details are as under:

STA after examination of the case, decided not to consider the request of the applicant.

1.5.e. Shri. Dilip Malakar, S/o. Golok Malakar, R/o. Kadamtala, North and Middle Andaman vide his application dated 25/06/2024 has requested for exemption of fine amount for his vehicle bearing registration number AN01/H-0428 (TATA Sumo Gold) having permit to ply in all routes of North, Middle and South Andaman.

In the said letter, the applicant has stated that he uses the said vehicle for plying between Rangat to Kadamtala but due to pathetic road condition, his vehicle is frequently breakdown and for taking up the repair works, he has to take the vehicle to Port Blair. The applicant has also stated that due to pathetic road condition and ill health, he couldn't visit the RTO, Port Blair for his permit renewal which was due on 19/09/2022.

As per the records, the firm had brought **08 Trucks** (tipper) from mainland in Jan 2020 along with NOCs from the RTO, Thoothukudi, Tamil Nadu to undertake road construction work which was awarded to them by NHIDCL. STA gave permission for 4 trucks to transport back to mainland vide this office's letter No. STA/M/s. Mohan Mutha Exports Pvt. Ltd/2022/6324 dated 19.08.2022. The details of the 08 trucks are as under:

Out of the 4 trucks for which Transport Department gave permission to Transport back, the firm sent back 3 trucks and requested to re-register the 4th vehicle bearing registration no. TN68BD4942 in the RTO, Port Blair and issue permit. The firm further stated that the 4th vehicle which was brought in 2020 was not in movable condition due to its engine failure, to send back along with the other 3 vehicles. The firm added that they have been awarded a new project by NHIDCL and considering the current and future requirements to execute the NH works, the firm has requested to re-register the vehicle no. TN68BD4942 in the RTO, Port Blair. The firm has submitted the copy of contract dated 12.08.2022 executed with NHIDCL.

In this connection, it is to apprise that the STA in its meeting held on 24.12.2021 had decided not to allow any registered vehicle into this UT which is not of BS-VI compliant. However, in the instant case, the vehicle under consideration was brought in January 2020 i.e. prior to the decision of STA in this regard.

The case was placed in the STA meeting held on 30.08.2023 wherein **STA after examination of the case, decided to get the status of all the vehicles of the firm plying in the UT and place the same in the next STA meeting to take a decision on the request of**

the firm to re-register and issue permit to their mainland brought vehicle bearing registration number TN68BD4942.

Accordingly, the firm vide their letter dated 13.10.2023 has furnished the status of all their vehicles plying in the UT which are detailed as under:

S. No.	Registration No.	Re-registration No.	Make & Type	Capacity	Year of Purchase	Location

As per the above report, the firm had brought 08 commercial vehicles, out of which 03 vehicles have sent back and 04 vehicles got registered and obtained permit from STA. For the remaining 01 vehicle, the firm requested to issue permit.

Therefore, the case placed in the STA meeting held on 03.11.2023 wherein **STA decided that the vehicle bearing registration No. TN69BD4942 may be got inspected thoroughly by the committee for its road worthiness and to re-submit the case with road worthiness report in the next meeting.**

Accordingly, the committee has inspected the vehicle on 04.03.2024 and found that the vehicle is presently in road worthy condition.

STA after examining the case observed that the firm brought the vehicle to the Islands in January 2020, but applied for change of registration in A & N Islands on 21/07/2023. It also implies that the firm has operated the vehicle without changing the registration and without obtaining the permit since its arrival in A & N Islands. Therefore, STA decided to consider the request for change of registration in the UT and issuance of permit after imposing applicable penalty for operating the vehicle without obtaining permit and plying the vehicle without fitness. It appears that the applicant has purchased a mainland registered vehicle against the NOC issued by the STA but did not approach the STA for issuance of permit. It appears that the applicant has plied the vehicle without obtaining permit in the UT as such liable for penalties as decided by STA for further course of process of registration and route permit.

As regards to issuance of NOC for Autorickshaw permit / NOC, it is to apprise that in order to ensure proper implementation of the decisions taken by the STA in its meeting dated 09.06.2023 decided that the applications received for grant of NOC / Permits for passenger autorickshaw may be got verified independently by two level Committees i.e. 1st Committee at STS Unit level and 2nd Committee at Directorate of Transport level. Accordingly, the two level Committees were constituted vide Order No. 2498, dated 03/07/2023. In the meeting held on 09.06.2023, **147 applications** (101 South Andaman + 43 North & Middle Andaman + 03 Little Andaman), which were received till 07.06.2023 were placed and STA decided to get it verified by 2nd level committee. Complying with the direction of STA, the 2nd level Committee examined all the 147 cases of fresh NOCs along with other Transfer cases and kept all the cases pending with the recommendation to place the matter in STA meeting for issuance of proper clarification on certain points of the guideline frames in 2007 so as enable the Committee to examine the applications properly.

Accordingly, STA decided to **obtain legal opinion from the Law Department by framing specific query as raised by the Committee pertaining to the guidelines/ conditions mandated by the STA vide its minutes of the meetings dated 2007, 2017, 2018, 2021 & 2023.**

Complying with the decision of STA, the matter was taken up with Law Department and on the point of "unemployed" the Law Department opined that the word unemployed has not been defined/ explained by the Department. On the other two points i.e. "whether person having permits for other categories of commercial vehicle should be given NOC / permits for passenger Autorickshaw or not?" and "whether the additional conditions would also be applicable in the case of transfer of vehicle / permit of passenger autorickshaw where fresh permits are issued in his / her name for a old purchased vehicle", the Law Department opined that being administrative in nature, a policy decision may be taken at Administrative level.

To have a specific explanation/ definition on "unemployed", the Labour Department was requested vide letter dated 15.12.2023 and the Labour Commissioner vide letter no. 13/MIS/2010-20/LC&DET/(PF)/1264 dated 27.12.2023 stated that according to the Report on Youth Employment-Unemployment Scenario Vol-II, 2015-16, Govt. of India, Ministry of Labour & Employment, Labour Bureau, Chandigarh the definition of the term "**unemployed**" means **"Persons, who are owing to lack of work, had not worked either sought work through employment exchanges, intermediaries, friends or relatives or by making applications to prospective employers or expressed their willingness or availability for work under the prevailing condition of work and remuneration are considered as those who are 'seeking or available for work' (or unemployed)".** Further, the LC advised that STA may obtain "Unemployment Certificate" issued by Tehsildar from the applicants at the time of making applications for NOC to subordinate the proof of "unemployed". Also, an undertaking from the applicant may be obtained stating that they are neither employed in the Government/ Private Sector nor Self-Employed before processing the applications for issuance of NOC/ Permits for passenger autorickshaws.

The matter was placed before the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 in its meeting held on 24/01/2024 wherein **the Committee decided to devise a format of "undertaking" and recommended to obtain "undertaking" in the prescribed format and "unemployed certificate" issued by the Revenue Department (Tehsildar Office) strictly as per the definition furnished by Labour Commissioner to substantiate the proof of "Unemployed".**

STA was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."

Therefore, STA decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

1.7.b. Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad vide his letter dated has requested to consider his case for issuance of permit pertaining to passenger autorickshaw bearing registration number AN01/R-9136.

In the said letter he has stated that he is an unemployed youth and due to lack of other source of income, he had applied for autorickshaw permit for which he was issued NOC. Against the said NOC, he has purchased an autorickshaw and registered in the RTO, Port Blair. Now, the applicant has requested to issue him route permit so as to ply his autorickshaw.

In the above context, it is to submit that Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad applied for grant of NOC to ply autorickshaw in all routes of South Andaman vide his application dated 01/12/2022. His case was placed in the STA Meeting held on 13/02/2023 wherein STA approved the request of the applicant for grant of NOC. Accordingly, he was issued NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 to purchase the autorickshaw.

In the meantime, several complaints were received by the STA wherein a single person was involved in the racket of plying multiple autorickshaws. The complaints were verified by scrutinizing the database of the STA from VAHAN Portal and observed that though no single owner owns more than one Autorickshaw as per the records, but in many cases of NOC applications, same mobile number had been used to obtain multiple permits. This led to a conclusion that one person i.e. the owner of the mobile number is involved in the purchase and plying of Auto-rickshaw in the name of eligible persons by manipulating the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate.

The case of Shri. Deepak Uraon, S/o. Unju Uraon was one amongst the many cases. The case was placed in the STA meeting held on 09/06/2023 wherein **STA decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.**

Accordingly, the NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 issued in the name of Shri. Deepak Uraon, S/o. Unju Uraon was cancelled vide Order No. 2556 dated 05/07/2023.

However, on scrutiny of records, it has been observed that Shri. Deepak Uraon had already purchased and registered his autorickshaw against the said NOC on 31/05/2023.

Aggrieved by the decision of STA, Shri. Deepak Uraon then filed a writ petition vide no. WPA/842/2023 in the High Court at Calcutta, Circuit Bench at Port Blair in which the Hon'ble Court passed an order dated 12/02/2024 disposing the writ petition which has been stated at Point No. 2.1 of the Agenda.

Now, the applicant has requested to grant him route permit to ply his autorickshaw in all routes of South Andaman.

STA was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

“Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal.”

Therefore, STA decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

1.7.c. Shri. S. Easupatham, S/o. Shri. Subramani, R/o. Haddo, Port Blair vide his application dated 20/03/2024 has requested for **exemption from fine amount** in respect of his autorickshaw bearing registration number **AN-558**.

In the said letter, the applicant has stated that he could not ply his vehicle since COVID lockdown and requested to grant permission to condemn the said vehicle due to unserviceable condition and waive off the fine amount.

It is to apprise that the applicant had earlier applied for condemnation of the said autorickshaw on 19/12/2023 which was placed in the STA meeting held on 05/01/2024 wherein **STA approved the request of the applicant**.

Accordingly, the late fine applicable after exempting the COVID period i.e. from 01/02/2020 to 31/10/2021 as tabulated in the below table was intimated to the applicant for remittance.

S. No.	Description	Valid up to	Delay period up to 19/12/2023 (in Days)	Amount	COVID Exemption	Applicable penalty
1.	Permit	31/12/2016	2544	35616/-	8932/-	26684/-

The applicant has now requested for exemption from fine amount in respect of his autorickshaw bearing registration number AN-558.

STA decided not to accept the request of the applicant for waiving of the late fine accrued on account of delay in renewal of permit.

2. MATTER RELATED TO AUTORICKSHAW PERMITS

2.1 STATUS OF LITIGATION AGAINST THE AUTORICKSHAW PERMIT HOLDERS:

It is to apprise that several complaints were received by STA stating that few persons are involved in the racket of purchasing passenger Auto-rickshaw in the name of eligible persons who are in possession of Local Certificate/ Islander Identity Card and leasing out the autorickshaws to Non-Islander Auto-rickshaw drivers by manipulating the conditions prescribed by STA for obtaining NOC/ Permits of passenger Auto-rickshaw. The existing database of STA was scrutinized from the VAHAN software and observed that though no single owner owns more than one Autorickshaw as per the records, but in many cases of NOC applications, same mobile number had been used to obtain multiple permits. This led to a conclusion that one person i.e. the owner of the mobile number was involved in the purchase and plying of Auto-rickshaw in the name of eligible persons by manipulating the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate. **Therefore, STA decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.**

In compliance to the said decision, the Traffic Police conducted enforcement drive from time to time and furnished list of vehicles that violated the permit conditions of Autorickshaw.

Accordingly, STA taking a strict view in the matter, suspended several permits pertaining to autorickshaws who had violated the permit conditions after giving ample opportunity to the permit holders for furnishing their representations.

Aggrieved by the decision of the STA, the autorickshaw owners filled writ petitions vide No. WPA/841/2023, WPA/842/2023, WPA/844/2023, WPA/846/2023 and WPA/11/2024 in which the Hon'ble Court passed an order dated 12/02/2024 disposing the above mentioned writ petitions in terms of the answers given under the 4 issues and by way of the following directions:

- i. The condition restraining transfer of Permits, or any other conditions to the same effect, cannot be seen as being outside the statutory frame work. There is no scope for interference with regard to notices issued with specific regard to the Transfer of Permits or against the person who is otherwise unauthorized to drive the autorickshaw.
- ii. There is no scope for interference with regard to conditions which formed a part of the Permits at the time of issue and are within the parameters of the MV Act, including sections 73, 74, 82 and 86 thereof.
- iii. The respondents shall not give effect to the condition/ requirement for production of Islander Identity Card/ Local Certificate since such condition is not within the statutory contemplation. This condition has also been brought into effect through Meetings without following due procedure.
- iv. The respondents shall not give effect to any condition which was imposed subsequent to the date of the grant of Permit. This would mean conditions which were not part of the Permit granted by the respondents to the petitioners. The Court finds substance in the petitioners contention that the petitioners could not have been and were indeed not aware of the additional conditions imposed by the STA through its Meetings after the initial grant of Permits.

- v. The respondents shall only impose conditions within the mandate of the sections 73 & 74 of the MV Act for grant of new Permits and shall comply with the statutory requirements including under sections 84 and 85 of MV Act, 1988. Any additional conditions, including that of production of Local Certificate/ Islander Identity Card, will have to be put through the procedure envisaged under the MV Act and the A & N Islands M V Rules, 2006.
- vi. The respondents shall be restrained from giving effect to the impugned notices including for suspension/ cancellation of Permits only if the notices were issued outside the statutory mandate of sections 82 and 86 of the MV Act.
- vii. Any conditions which are imposed subsequently shall be given effect to after 4 weeks from the communication of the condition to the concerned stakeholder/s.

It is seen that the directions issued vide order dated 12.2.2024 at Sl No. iii and v are against the statnd taken by STA i.e. production of Islander card/ Local Certificate for obtaining autorickshaw permit. It has been therefore decided to challenge the order dated 12.2.2024 passed by the Single Bench of Hon'ble High Court against Point No. iii and Point No. v as mentioned above before the Hon'ble Division Bench of Calcutta High Court. The order dated 12.2.2024 also finds the observations made by the Hon'ble Court itself at point no. 40 and 41 of the judgement dated 12/02/2024 which is reproduced below:

40. The argument of the A & N Islands requiring affirmative measures for securing employment to local people and to "Islanders" i.e. those who have lived in the Islands for a minimum of 10 years, is no doubt a compelling argument. It is common knowledge that the Administration is the predominant employer with very few private players offering employment opportunities to the local people. The geography/ topography of the Islands poses further challenges in terms of limited resources. Hence, the STA's deliberations for protecting employment opportunities for Islanders/ local persons is a legitimate concern.

41. There are, however, several practical difficulties attached to this condition. The first is the identification process for "Islanders" and the exclusion of those who have lived for several years in the islands but have not completed the minimum base line of 10 years. Second, the over-arching violation of Articles 14 and 19(1)(g) of the Constitution where non-islanders may be at the receiving end of such discrimination cannot be ignored respectfully.

Since the Hon'ble Court has appreciated the fact regarding taking affirmative measures for securing employment to local people, it is decided to challenge the order dated 12.2.2024. The appeal prepared by the Advocate has been vetted by the Law Department and the same has also been filed in the Hon'ble High Court.

STA took note of the present status of cases pertaining to autorickshaw and directed the Transport Department to pursue the case properly.

2.2 REVIEW OF PERMIT CONDITION

2.2.a. After the outcome of the Writ Petitions bearing Nos. WPA/841/2023, WPA/842/2023, WPA/844/2023, WPA/846/2023 and WPA/11/2024 in which the Hon'ble Court passed an order dated 12/02/2024, the Island Joint Auto Union Federation and Andaman & Nicobar Janta Party vide their letters dated 07/03/2024 and 15/03/2024 respectively have requested for framing byelaws and statutory formal codification under Rule 50(1) of the A & N Motor Vehicle Rules, 2006 in accordance with law in exercise of delegated powers under the Motor Vehicles Act in regard to policy of adopting eligibility criteria for issuance of permits to the contract carriages (autorickshaws) only to the Islanders possessing Islander Identity Cards/ Local Certificates for immediate implementation of the same as per law.

In the said letters it has been stated that the permits for contract carriages (autorickshaws) are granted to individual or companies from outside our islands, thereby limiting opportunities for local residents to engage in such services. This situation not only undermines the economic prospects of local youths/ residents but also neglects their stake in the development and sustainability of local businesses.

They have requested to consider implementing a policy/ bye-laws by making necessary formal codification of the eligibility criteria that prioritizes the issuance of permits to local residents of these islands possessing the Islander Identity Card/ Local Certificate through necessary statutory codification in terms of the A & N Islands Motor Vehicle Rules and published/ notified in the A & N Gazette in accordance with law.

In this regard, it is to apprise that the order dated 12.2.2024 of Single bench of Hon'ble High Court has been challenged by the Department before the Division Bench of Hon'ble High Court.

STA was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."

Therefore, STA decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

2.2.b. In another letter received from the Director of Industries & Member Secretary, A & NI, KVIB bearing letter no. M-17036/2/2024-Dev Off-KVIB-INDS_AN/27 dated 23/04/2024 it has been requested to review the permits issued to commercial vehicles and issuance of NOC.

In the said letter, it has been stated that the worthy Chief Secretary, A & N Administration/ Chairman ANI KVIB during the 95th meeting of the ANI KVIB had issued a directive to review the permits issued to commercial vehicles, particularly auto rickshaws, in each district, considering factors such as carrying capacity, traffic conditions and parking areas.

It is further mentioned that the objective of the review was to ensure that the allocation of permits aligns with the current traffic dynamics, the carrying capacity of the vehicles and the availability of suitable parking areas in each district.

Also, in the said letter, attention has been invited to a concern regarding the issuance of No Objection Certificates (NOCs) for the purchase and operation of commercial vehicles, particularly in the context of beneficiaries intending to avail financial assistance under the Prime Minister's Employment Generation Programme (PMEGP) scheme.

It is mentioned that the number of candidates arriving at the Board Office with NOCs issued by the STA has been escalating rapidly. This situation is raising concerns about the potential over-proliferation of commercial vehicles, especially autorickshaws in the islands. Hence, it is crucial to review whether this growing number of vehicles is proportionate to the carrying capacity, traffic conditions and parking areas.

In light of the above, the Director of Industries & Member Secretary, A & NI, KVIB has requested to initiate the process of reviewing the permits issued to commercial vehicles, particularly auto rickshaws in each district as directed by the worthy Chief Secretary, A & N Administration/ Chairman ANI KVIB. It is further requested to assess the issuance of NOCs for the purchase and operation of commercial vehicles ensuring that the number of vehicles is proportionate to the carrying capacity, traffic conditions and parking areas so as to ensure the sustainable and efficient operation of commercial vehicles in the region.

In this regard, the following is submitted:

- a. There are 5200 autorickshaws plying in the A & N Islands.
- b. All the applications received upto 07/06/2023 have been considered and issued permits.
- c. Cases pertaining to replacement of vehicles against condemnation are also considered by the STA.
- d. Furthermore, for the applications received after 7/6/23, two Committees (STS Unit Level and Directorate Level Committee) have been formed by the STA for scrutiny of these applications of autorickshaws and proper implementation of the decisions taken by the STA in its previous meetings.

STA noted the request of Director (Industries) and the direction of worthy Chief Secretary will be complied with.

STA was further apprised that issuance of autorickshaw permits has been discontinued temporarily w.e.f. 07/06/2023. STA further directed that a reply may be sent to Director (Industries) on the status.

2.3 VIOLATION OF PERMITS

2.3.a. It is to apprise that the DySP (Traffic) vide their two letters dated 20.10.2023 and 01.11.2023 had furnished the list of 39 and 248 Passenger Autorickshaws wherein they were found to be driven by other person whose name is not entered in the permit thus violating the permit condition of passenger Autorickshaw. The matter was placed in the STA meeting held on 03.11.2023 wherein STA decided the following:

- a. **Secy, STA to check each case to verify whether the permit was issued prior to/ after framing of guidelines/ additional conditions in the year 2007.**
- b. **In case, the permit has been issued prior to framing of guidelines/ additional conditions, the permit holder shall be asked to furnish details of driver to be entered in the permit.**
- c. **In case, the permit has been issued after the date of framing guidelines/ additional conditions, a "Show Cause Notice" may be issued and put up such cases in the next STA meeting for taking decision.**

Complying with the decision of STA, 190 Show Cause Notices had been issued to the permit holders. In response to the Show Cause Notices, 92 permit holders had responded.

The representations of all the 92 permit holders were placed in the STA meeting held on 05.01.2024 wherein STA vide Minutes Point No. 4 (i) and (ii) decided that those permit holders who have responded to the Show Cause Notices/ Suspension Orders, the representations may be referred to the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 for examination and recommendations of committee may place in the next STA meeting for taking a decision.

The recommendations of the Committee were placed before STA vide circulation in which STA decided to issue stringent warning to 91 permit holders with the direction to furnish the details of the Local Certificate/ Islander Identity Card possessed by the drivers. The representation of one permit holder was kept at abeyance as the permit holder had moved to the Hon'ble High Court for seeking relief.

Furthermore, 31 more permit holders had submitted their representation against the Show Cause Notices issued to them. The representations of all the 31 permit holders were

MINUTES OF STA MEETING HELD ON 08.07.2024 (AS PER AGENDA: 02/2024)

placed before the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 for examination and recommendations.

The recommendations of the Committee were placed before STA vide circulation in which STA decided to issue stringent warning to all the 31 permit holders with the direction to furnish the details of the Local Certificate/ Islander Identity Card possessed by the drivers.

It is further to apprise that the STA Section has received representations of 17 more permit holders who have responded against the show cause notices. 50 autorickshaw owners have not responded to the Show Cause Notices so far.

STA after examining the case, decided to issue stringent warning to the 17 permit holders who have responded to the Show Cause Notices. Further, STA taking a strict view, decided to suspend the permits of the remaining 50 permits holders who have not yet responded to the Show Cause Notices.

2.3.b. It is to apprise that the Dy. SP (Traffic) vide their letter dated 03/01/2024 furnished the list of 41 Passenger Autorickshaws wherein they were found to be driven by other person whose name is not entered in the permit thus violating the permit condition of passenger Autorickshaw.

STA section scrutinized the cases and in the first instant it has been observed that out of the total 41 cases, repeated name and vehicle numbers were found in 02 cases. Out of the remaining 39 cases, 04 such cases were found to be other than passenger autorickshaws. On further scrutiny of the remaining 35 cases, it has been found that action has already been taken vide STA meetings dated 30.08.2023 and 03.11.2023 in respect of 10 cases.

Hence, records of all the remaining 25 cases were verified in which 04 permits are found to be issued prior to framing of guidelines in 2007 and 21 permits are issued after the framing of guidelines in 2007. Out of the 21 permits, 01 permit holders have also applied for transfer of ownership of their vehicles. The details of the 25 cases are under:

STA after examining the case decided to issue warning notices along with direction to furnish details of the Driver to the 04 permit holders who had been issued permits

prior to 2007. Further, STA taking a strict view, decided to issue Show Cause Notices to 20 permit holders who had been issued permits after 2007 i.e. after framing of additional guidelines pertaining to autorickshaw permits.

2.4 MATTER RELATED TO SUSPENSION OF PERMITS / CANCELLATION OF NOCS OF AUTORICKSHAW (PCC)

Suspension of Permits & cancellation of NOCs as per the decision taken by STA in its meeting 09.06.2023:

In compliance with the decision of STA in its meeting held on 09.06.2023 in the matter of plying multiple autorickshaws by single person after obtaining permits in the name of different eligible persons, STA suspended 27 permits passenger Autorickshaw and cancelled 07 NOCs. The individuals were given opportunity to make representation before STA with proper evidence that the vehicle is self financed and operated by him / her and that the vehicle is a single vehicle which is owned by them in these category, within a period of 15 days from the date of issuance of the individual orders.

Aggrieved by the decision of STA for **suspension of 27 permits**, 21 permit holders filed writ petitions before Hon'ble High Court at Calcutta in which the Hon'ble Court set aside all the 21 suspension orders with the direction to STA to give the petitioners an opportunity to hear in person and consider or reject their representations in accordance of law.

Complying with the above direction, all the petitioners were heard in person and given opportunity and after careful examination of records, submissions of petitioners in their representations dated 07.08.2023, 08.08.2023 & 09.08.2023, oral & material evidences produced by individual petitioners during their personal hearing on 16.08.2023, evidence furnished by the petitioners against the final opportunity vide orders dated 18.08.2023 and consideration of all the facts & circumstances of the case as per the provisions under Section 86 of MV Act, 1988, the brief of individual 21 cases were placed in the STA meeting held on 30.08.2023. STA in the said meeting examined all the 21 cases carefully and decided to cancel 07 permits with immediate effect as the allegation of misusing the guidelines prescribed by STA for issuance of autorickshaw permit and given it to unauthorised person for driving the vehicle was clearly established.

To take appropriate decision in respect of the remaining 14 cases, STA decided to obtain additional information from the dealer, Financier and Traffic Police on each case. The matter was placed in the STA meeting held on 03.11.2023 wherein STA decided to suspend the permits of 07 permit holders for a period of 2 months and also obtain the details of the driver to enter in the permit. Complying with the decision of the STA, the 07 permits have been suspended. Of the remaining 07 cases, STA in the said meeting directed to obtain report from the Traffic Police. **The report from the Traffic Police is still awaited.**

STA directed the Dy. SP (Traffic) to furnish the report within 15 days.

9.7. APPLICATION FOR ISSUANCE OF LICENSE UNDER RAMS

9.7.a. **Shri. Karthikeyan R** has applied on 31.01.2024 for issuance of license **under RAMS** for renting of **05 motorcycles** having valid permits to ply in all routes of **South Andaman**. The details are mentioned as under:

Sl. No.	Vehicle Reg No.	Permit issued on	Permit expires on
1	AN01/N-8260	12/03/2019	11/03/2029
2	AN01/N-7906	12/03/2019	11/03/2029
3	AN01/N-8263	12/03/2019	11/03/2029
4	AN01/N-8259	12/03/2019	11/03/2029
5	AN01/L-9802	12/03/2019	11/03/2029

The applicant submitted that after getting the permits of the above said vehicles he failed to get the rental licence for renting two wheelers. Now, the applicant has requested to grant him license for renting two wheelers under RAMS.

It appears that **Shri. Karthikeyan R** has **rented the motorcycles without having valid license** and thereby violation of the provision contained under rent-a-motorcycle scheme 1997/MV Act.

Though, **no penalty clause** exists in the Scheme for penal action for renting motorcycle without having valid license but the STA can suspend the permits of the vehicles or can impose mutually agreed penalty as the vehicles were rented without License under the scheme.

In a similar case, STA in its meeting held on 13.02.2023, considered the case of **Shri Waseem Ramzan** for issuance of License under RAMS by imposing penalty amount @Rs.1000/- per vehicle per year.

STA approved the request of Shri. Karthikeyan R for issuance of License under RAMS by imposing penalty amount @Rs.1000/- per vehicle per year.

9.7.b. **Shri. Sujit Kumar Biswas**, S/o. **Shri. Kshitish Biswas**, R/o. **Vijay Nagar, Swaraj Dweep** vide his application dated 03/05/2024 has applied for renewal of permit of his 05 two wheelers to ply in all routes of **Swaraj Dweep** which are detailed as under:

S. No.	Vehicle Registration No.	Permit issued on	Permit validity
1.	AN01/N-5709	02/04/2019	01/04/2029
2.	AN01/N-5716	02/04/2019	01/04/2029
3.	AN01N-5717	02/04/2019	01/04/2029

5.	AN01/N-5698	02/04/2019	01/04/2029

On scrutiny of records at the time of renewal, it has been found that **Shri. Sujit Kumar Biswas** did not obtain license under RAMS to rent the above mentioned two wheelers.

It appears that **Shri. Sujit Kumar Biswas** has **rented the motorcycles without having valid license** and thereby violation of the provision contained under rent-a-motorcycle scheme 1997/MV Act.

Though, there is **no penalty clause** exists in the Scheme for penal action for renting motorcycle without having valid license but the STA can suspend the permits of the vehicles or can impose mutually agreed penalty as the vehicles were rented without License under the scheme.

MINUTES OF STA MEETING HELD ON 08.07.2024 (AS PER AGENDA: 02/2024)

In a similar case, STA in its meeting held on 13.02.2023, considered the case of Shri.Waseem Ramzan for issuance of License under RAMS by imposing penalty amount @Rs.1000/- per vehicle per year.

STA approved the request of Shri. Sujit Kumar Biswas for issuance of License under RAMS by imposing penalty amount @Rs.1000/- per vehicle per year.

9.8. SURRENDER OF LICENSE UNDER RAMS

Smti. R Ragi vide her application dated 30/06/2020 requested for cancellation of permit of 05 vehicles (Two Wheelers) and conversion of said vehicles (Two Wheelers) to Non-Transport Category.

In this regard, it is to submit that Smti. R Ragi registered 05 vehicles in her name under Transport Category and obtained the permit to ply in all routes of South Andaman. The details of vehicles are mentioned as under:

S. No.	Vehicle No.	Registration Date	Permit Issuance date	Permit validity	Fitness Validity
1.	AN01/L-0796	08/04/2016	21/11/2016	20/11/2021	25/09/2017
2.	AN01/K-8539	14/01/2016	21/11/2016	20/11/2021	25/09/2017
3.	AN01/L-0788	08/04/2016	21/11/2016	20/11/2021	25/09/2017

5.	AN01/K-8525	13/01/2016	21/11/2016	20/11/2021	25/09/2017

On scrutiny of records, it was observed that the applicant did not approach the STA for grant of license under Rent a Motorcycle Scheme and has rented the vehicles (Two Wheelers) without having valid license and thereby violating the provision contained under rent-a-motorcycle scheme 1997/MV Act.

Accordingly, a Show Cause Notice dated 09/07/2020 was issued to the applicant. The applicant vide her letter dated 24/07/2020 responded to the Show Cause Notice stating that she was unaware of the fact that a license under RAMS is required for renting two wheelers and assured that she would obtain license under RAMS at the earliest.

However, since the reply furnished by the applicant was not found to be satisfactory, STA imposed a penalty of Rs. 20000/- vide Order No. 2482 dated 03/11/2020.

Smti. R. Ragi remitted the fine of Rs. 20000/- vide Tr. No. 0348673 dated 27/05/2024.

It is to submit that the permit and fitness validity of all the 05 vehicles have been expired as on date. The applicant has neither applied for renewal of permit nor license under RAMS till date and plied the vehicles thereby violating the provisions of MV Act.

Now, Smti. R Ragi has again requested for conversion of her 05 vehicles from Transport Category to Non-Transport Category.

STA directed to calculate the entire penalty accrued on account of operation of two wheelers without obtaining license till date and the permit may be cancelled after remittance of complete penalty amount.

STA observed that the number of commercial vehicles in Swaraj Dweep and Saheed Dweep were increasing drastically which was not proportionate to the available roads and parking area present in the Islands. Therefore, a restriction in issuance of permits was imposed from 2019 onwards. Though a study report was furnished by DBRAIT in 2023, it did not specify any number for the commercial permits to be issued in Swaraj Dweep and Shaheed Dweep. In the absence of specific figure of various types of permits which can be considered for Swaraj Dweep and Shaheed Dweep, it is difficult to assess on the number of permits which can be issued there.

Now, therefore STA decided to constitute a Committee under the Chairmanship of Director (Tourism) and consisting of other senior officers from the stakeholder departments such as Police, Revenue, Tourism, APWD and Transport. The constitution of the Committee shall be as under:

| 6. SDPO, Swaraj Dweep | : Member |

1. Contract Carriage
2. Public Carrier Permit
3. Stage Carraige Permit

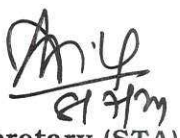

4. Autorickshaw

The Committee shall take into consideration the following factors apart from any other factors before making the recommendations.

3. Availability of roads for given number of vehicles.
4. Availability of parking spaces for the total number of vehicles in each category.
