a) South Andaman

STA was informed that 10 (Ten) applicants have applied for NOC for purchase of 88 (Eighty Eight) fossil fuel driven Scooters / Motor cycles for obtaining Contract Carriage (2-W) permits under Rent a Motorcycle Scheme.

However, to promote E- Vehicles in the UT, STA decided that the number of fossil fuel driven two wheelers may be restricted and minimum requirement to obtain a License under 'Rent-a-Motorcycle' Scheme i.e 05 two wheelers of fossil fuel driven each may be allowed for all the applicants, rest of the two wheelers applied may be taken as Electric Two wheelers.

On the basis of the above decision, STA approved the cases of 10 applicants is given in **TABLE 6** below for issuance Contract Carriage (2-W) Permits subject to the condition that the applicant shall parallelly apply for license under “Rent a Motorcycle Scheme” and shall not operate the Two Wheelers on hire without obtaining License under ‘Rent a Motorcycle Scheme’.

STA further decided that in order to promote electric vehicles for commercial purposes, henceforth no NOC/Permits shall be issued for purchase of fossil fuel 2-W to those applicants who are already having fossil fuel 2-W with a license under Rent a Motor Vehicle Scheme.

c) 40 ft Low Bed Trailer (TATA Make BS-VI)

STA was appraised that the firm **M/s A&N Logistics Pvt. Ltd.** earlier applied for NOC for purchase of **40 Feet Low Bed Trailer-Tata BSVI** trailer without specifying route and time. During the STA meeting held on **02.12.2022**, the applicant's request was not considered, and STA decided to obtain clarification from the firm about the route and the timing in which the firm intend to ply the vehicle. After being informed of the decision, the firm requested issuance of NOC for 40 Feet Low Bed Trailer-Tata BSVI Trailer to ply in a

particular route in between **Haddo wharf to Jirkatang** and vice versa with its operation **during day/night except during school time.**

STA in its meeting dated 13/02/2023 directed to refer the case to DySP (Traffic) for their assessment on the route and timing and furnish report before the next meeting of STA. Dy.SP (traffic) in his report dated **10.03.2023** recommended to issue NOC for 40 ft. trailer specifying the route between **Haddo Wharf to Jirkatang** and vice versa within the operated timing between **09.00 PM to 05.00 AM.**

STA has examined the recommendation of DySP (Traffic) in this matter and decided to approve the route and timings as recommended for issuance of NOC.

d) 40 ft Low Bed Trailer (TATA Make BS-VI)

STA was appraised that the firm **M/s RDS Project Ltd.** has obtained NOC from STA on 16.02.2021 for purchase of TRAILER with the validity 15.08.2021 to ply the vehicle in NMS route. The firm purchased the Trailer and **got registered on 17.09.2021 with Regn. No. AN 01 Q 8137 (BS-VI).** But the firm applied for permit only on 14.02.2023 after 01 year and 4 months. The firm also applied for change in the route from **NMS** to ply in a particular route in between **Haddo wharf to Jirkatang and vice versa** with its operation timing **09.00 PM to 05.00 AM** for the said vehicle.

Hence, **STA has examined the request and directed to send the proposal to DySP (Traffic) to review the matter on the basis of number of 40 ft. low bed trailers plying in that specified route and timing to avoid traffic congestion, also to comment on the status of the vehicle whether it had been plied between 17/09/2021 to 14/02/2023.**

5. ISSUE OF NOC FOR TRANSFER OF COMMERCIAL VEHICLES PURCHASED IN AUCTION PROCESS

5.1 PURCHASED FROM FINANCIER

STA was appraised that in the below **02 cases**, the vehicles were registered under Transport Category with Hypothecation to various Financiers. The vehicle owners became defaulters due to non-payment of EMIs of loan. As such, the Financiers reposed the vehicles and sold the vehicles to the highest bidders through auction process. As per the request of Financiers, these cases have been initiated to transfer the vehicle in the name of financier after giving an opportunity to the registered owner for submitting his representation within 07 days as per Rule 51 (5) and 61 (3) of CMVR, 1989. Being Transport Category vehicles, NOC from STA would be required for transferring these vehicles. Hence, the purchasers have requested to issue NOC from STA for transfer of these commercial vehicles in their name for its further use. Hence, **STA decided to consider the request of both the 02 cases as given in TABLE 14 below, after imposing applicable penalty, if any, for permit violation as per Order I/8619/2023 dated 12/01/2023:**

TABLE 14

5.2 PURCHASED FROM DEPARTMENTAL AUCTION

STA was appraised that **the undermentioned case** has been received for conversion of vehicle to Transport Category and to grant necessary permit.

TABLE 15

S. No	Name of purchaser & Application date	Regn. No and class of vehicle	Auctioned by	Remarks
1	Shri. M Ganeshan 15.02.2023	AN 01 C 7902 TATA 207 Crew Cum Pickup Van LPV (BS-II)	Rajiv Gandhi Centre for Aquaculture	Request: Requested for transfer of vehicle and issue of NOC for conversion of vehicle to T-category for its further commercial use. Remark: Prior to the amendment of MV Act in 2019, the vehicle of crew cum pick up van was used to register in NT Category if it not used for commercial purpose. RGCA is a Society under Ministry of Commerce & Industry, GoI and the vehicle was not used for commercial purpose. As such, the same was registered under NT Category.

STA observed that the vehicle is 18 years old BS-II compliant and registered in the year 2005 in favour of RGCA, a Society under Ministry of Commerce & Industry, Govt. of India. The Society has condemned the vehicle when it outlived its useful life and became unserviceable. The unserviceable vehicle was sold / auctioned by the Society treating it as 'Scrap' and permitting the vehicle compromising the safety of other road users, for its further usage for commercial purpose may not be appropriate.

Moreover, STA was also appraised that Ministry of Road Transport has recently issued a Notification to scrap all the Government vehicles which have completed 15 years of its life span from 01.04.2023.

Considering the above factors, **STA decided not to consider the request of the applicant to use the vehicle for commercial use.**

6. APPLICATIONS FOR RENEWAL & CHANGE OF ROUTE IN THE EXISTING PERMIT

6.1 CHANGE OF ROUTE

STA was informed that **03 applications** have been received for change of route in existing permits. **STA approved the case as given in TABLE for change of jurisdiction in existing permits:**

TABLE 16

S. No.	Name of the applicant	Vehicle No.	Permit	Existing Route	Requested for

3.	Shri D Bhoominathan	AN01 R6912 Bolero Pickup	PC	South	NMS

6.2 MINOR CHANGE OF ROUTE

STA was informed that **application** from M/s RDS Projects Ltd. has been received for minor change of route in existing permits as detailed below:

TABLE 17

S. No.	Name	Vehicle No. & Type	Permit Valid Upto	Existing Route	Proposed Route
1.	M/s RDS Projects Ltd. Appliation Date: 17.03.2023	AN01 F-9561 (Transit Mixer 10 Wheeler)	18/07/2022	1.Route: From Brichgunj to Minnie Bay (Out of Municipal Area) Timing: Round the Clock 2.Route: From Minnie Bay to Haddo via Vijay Baugh (Municipal Area) Timing: 09.00 PM to 05.00 AM	South Andaman

STA was appraised that at the time of issuing the permit of the above said vehicle, STA was issuing permit to 10 wheeler goods vehicle to ply with in a specified area with timing. Off late, STA has considered the 10 wheelers as normal goods vehicles and started giving permits with normal route as being given to other goods vehicles without restricting the time in the permit. The routes and timing is now restricted only in the case of 40 ft. Trailers because of its extra long length that requires more space on the road to negotiate the curvy roads which it is not feasible in the day time when traffic movement is more.

As such, STA approved the case for minor change of route in existing permit.

7. APPLICATIONS FOR REPLACEMENT WITH NEW VEHICLE AFTER CONDEMNATION OF THE EXISTING VEHICLE

7.1 STA was informed that **14 applications** have been received from permit owners for replacement with new vehicle after condemnation of the existing vehicle which have become old and the owners are willing to dispose it by condemning.

As replacement of vehicles after condemnation is permissible under Section 83 of MV Act, **STA approved all the 14 cases subject to condition that the proposed vehicle for replacement should be of BS-VI compliant. List of applications is given in TABLE below:**

STA was informed that the applicant has earlier applied on 29/12/2019 for replacement with new vehicle after condemnation of his old vehicle bearing registration

No. AN01 H9222. Accordingly, the applicant was granted permission on 14/02/2020 to condemn the old vehicle and to replace the same with new Maruti Ertiga Tour.

Now, the applicant approached STA on 14/12/2022 after condemnation of vehicle No. AN01 H9222 on 02/12/2022. Applicant submitted the reason for delay that he has booked the vehicle Maruti Ertiga in Maruti Agency House but due to COVID 19, the dealer failed to deliver the same on time.

21. RATIFICATION OF THE CASES OF FINE EXEMPTION

STA was appraised that several requests were received from owners of Autorikshaw for exemption of fine imposed for the period from January 2022 to March 2023 as per order No. I/8619/2023 for delay applying for permit after its registration. 22. FIXATION OF FARES FOR THE CABS AND COMMERCIAL TWO WHEELERS OPERATING IN SWARAJ DWEEP

STA was appraised in the meeting dated 02/09/2022 that due to absence of any fare regulation for the cabs and commercial two wheelers plying in SwarajDweep and ShaheedDweep, regular reports on fleeing of tourists by the commercial vehicle drivers have been cropping up. This is not only creating inconvenience for the visiting tourists but also detrimental in the promotion of tourism activity in the Island. In order to maintain a check on the excess fare charging and to eliminate the chances of unhealthy practice by the vehicle owners, STA has decided to fix the fares of cabs and commercial two wheelers plying in SwarajDweep and ShaheedDweep under Section 67 of MV Act. A committee has been constituted vide order No. 3557 dated 14/09/2022 with the mandate of recommending fares for the cabs and commercial two wheelers plying in SwarajDweep and ShaheedDweep.

The committee after analysing the present market rates, expenditure involved in operation of these commercial vehicles in these two Islands, demand of vehicles, tourists requirement etc has furnished its report/ recommendation for further examination & recommendation of STA.

STA in its meeting dated 14/10/2022 directed to send back the proposal to the Committee to re-examine the fares with reference to the discussion held in SOM chaired by Chief Secretary. Accordingly, two reminder letters dated 10/11/2022 and 10/02/2023 have been forwarded to the Chairman of the committee.

Further, as per STA decision in its meeting dated 13/02/2023, a DO letter has also been sent on 20/03/2023 for early submission of recommendation and **the reply is awaited.**

STA has examined the matter and directed to obtain the report of Committee without any further delay.

As such, STA decided to obtain opinion from Tourism & Police Department and requested them to prepare SoP for operation of caravan vehicles for incorporation in the permit conditions.

Accordingly, letter No. MT/2-1/STA Meeting/2021/9168 dated 10.11.2022 submitted to Director (Tourism) and Dy.SP (Traffic) followed by a reminder letter No.M-17067/7/2022-STA/4505 dated 30.11.2022.

Hence, they have informed No Objection for framing SOPs for operation of Caravan vehicle.

Dy. SP (Traffic), vide letter dated 04/01/2023 commented that the owner of caravan vehicle shall be directed to abide by all MV Rules and to provide the details of their parking spaces and to park the vehicle in their designated parking area.

The case was deferred in the STA meeting held on 13/02/2023.

The matter for issuance of permits to the Caravans was discussed in the meeting chaired by Chief Secretary on 18.03.2022 and the Transport Department was directed to prepare SOPs for operation of Camper Vans/ Caravans/ RVs in line with other states/ countries.
