c) 40 ft Low Bed Trailer (TATA Make BS-VI)

STA was appraised that the firm **M/s A&N Logistics Pvt. Ltd.** earlier applied for NOC for purchase of **40 Feet Low Bed Trailer-Tata BSVI** trailer without specifying route and time. During the STA meeting held on **02.12.2022**, the applicant's request was not considered, and STA decided to obtain clarification from the firm about the route and the timing in which the firm intend to ply the vehicle. After being informed of the decision, the firm requested issuance of NOC for 40 Feet Low Bed Trailer-Tata BSVI Trailer to ply in a particular route in between **Haddo wharf to Jirkatang** and vice versa with its operation **during day/night except during school time.**

STA decided to refer the case to DySP (Traffic) for their assessment on the route and timing and furnish report before the next meeting of STA.

2. CORRECTION IN THE NOC

STA was appraised that on the basis of the request dated 28/10/2022 of **Shri. RajenderLall** for purchase/registration of new vehicle (TATA XENON) to ply in all routes of North, Middle & South Andaman, NOC was issued on 13/01/2023 as per the STA approval in its meeting dated 02/12/2022. The validity of NOC is up to 01/12/2023.

It was informed that TATA XENON is a GoodsCarrier (N1 Category) vehicle and comes under Transport Category and to ply the vehicle **PC Permit is required.** However, due to typographical error, the application was wrongly entered for **CC Permit** to ply in all routes of NMS at the receipt stage and accordingly, NOC for **CC Permit** was issued. Now, applicant requested to make necessary correction in the NOC and issue NOC for **PC Permit** for purchase/registration of new vehicle (TATA XENON) to ply in all routes of **North, Middle & South Andaman.**

STA decided to consider the request of the applicant for issuance of NOC for PC Permit for purchase/registration of new vehicle (TATA XENON) to ply in all routes of North, Middle & South Andaman, after making necessary correction in the NOC.

3. APPLICATIONS FOR TRANSFER OF PERMIT WITHOUT CHANGE OF ROUTE / JURIDISCTION

STA was informed that **57 vehicle owners** have requested for transfer of permits from one owner to another owner and there is no change in the jurisdiction of permits already issued. **STA approved the transfer of permit in respect of 57 applications in the name of applicant as given in TABLE 13 below without change in Route/jurisdiction of permit:**

13. CHANGE OF ROUTE IN THE NOC

STA appraised that **Shri. Sushen Maitra**, the NOC holder of **Autorickshaw** having route permit to ply all routes in **North & Middle Andaman** requesting to **change of route** from all routes in North & Middle Andaman to all routes in **South Andaman**.

The case was approved in the STA meeting held on **03.08.2022**. Accordingly, NOC was issued on **28.10.2022** with the validity upto **15.08.2023** to ply in all routes of North & Middle Andaman. Now, the applicant has requested to change the route along with fresh parking area.

It is informed to STA that the applicant is not having any address proof related to South Andaman for change of route for PCC Autorickshaw. However, he has submitted the **Rent Agreements** showing that he is presently residing at Chouldari village.

STA after examination of the case, approved the request of the applicant for **change of route in the NOC from all routes in North & Middle Andaman to all routes in South Andaman**.

14. RENEWAL AND CHANGE OF ROUTE IN THE EXISTING PERMIT

STA appraised that the undermentioned case has been received for **minor change of route** in the existing permit. The details are as under:

TABLE 25

Sl. No.	Name	Vehicle No. & Type	Permit Valid Upto	Existing Route	Proposed Route
1	M/s RDS Projects Ltd. Appliation Date:	AN01 G1480 (Transit Mixer 10 Wheeler)	18/07/2022	1.Route: From Brichgunj to Minnie Bay (Out of Municipal Area) Timing:	South Andaman

29/12/2022				Round the Clock 2.Route: From Minnie Bay to Haddo via Vijay Baugh (Municipal Area) Timing: 09.00 PM to 05.00 AM	
------------	--	--	--	---	--

STA was informed that at the time of issuing the permit of the above said vehicle, STA was issuing permit to 10 wheeler goods vehicle to ply with in a specidfiedarea with timing. Off late, STA has considered the 10 wheelers as normal goods vehicles and started giving permits with normal route as being given to other goods vehilces without restricting the time in the permit. The routes and timing is now restricted in the case of 40 ft. Trailers only because ofits extra long length that requires more space on the road to negotiate the curvy roads which it is not feasible in the day time when traffic movement is more.

STA decided to approve the request of the applicant to make change of route in the permit as 'All routes in South Andaman' without limiting the time of operation.

15. FIXATION OF FARE FOR EXPRESS BUSES (AC SLEEPER COACH)

STA appraised that **Smti. S Kaweri**, R/o New Pahargaon has applied for fixation of fare for **AC Sleeper Coach Buses** (20 Seater& 20 Sleeper).

STA granted the applicant a NOC to operate two AC sleeper coach buses (20 seats and 20 sleepers) on the approved Port Blair-Diglipur route until 23/04/2023. A AC Sleeper coach bus has been brought and registered in this RTO on 02.11.2022, bearing the registration mark AN01R 9802, which would ply between Port Blair and Diglipur on the approved route.

STA has not yet fixed the fare for AC Sleeper-cum-Seater Coaches. Request for fixing the fare from Port Blair to Diglipur at Rs. 1400/- was submitted by the applicant with the proposal.

Upon STA decision dated 02/12/2022, a committee has been constituted via Order No. 4739 dated 13/12/2022 for the recommendation of a fare structure for sleeper berths in AC Buses by analyzing all the factors that influence the operation of AC Sleeper Coach Buses. Now, the committee has submitted its report dted 30/12/2022. The report compares sleeper bus fares in KSRTC, APSRTC & Kerala State Road Transport Corporation and recommends fares as follows:

TABLE 26

S. No.	Destination	Proposed Fare (In Rs.)
1	Port Blair to Baratang	235.00
2	Port Blair to Kadamtala	280.00
3	Port Blair to Rangat	405.00

4	Port Blair to Nimbudera	460.00
5	Port Blair to Mayabunder	555.00
6	Port Blair to Diglipur	715.00
7	Port Blair to Ariel Bay	735.00
8	Bambooflat to Rangat	345.00

STA appraised that the Committee has gone through the fares for sleeper buses operating by different STUs in mainland and considering the difference of fare of sleeper with the ordinary buses operating by these STUs, the Committee has recommended the average multiplication factor of 2.13 for the fare of sleeper over the fare of ordinary buses.

STA further appraised that the Committee has recommended the fares of AC Sleeper Coaches (in TABLE 26) by multiplying the existing fares of ordinary buses operating in this UT which notified in 2019. However, Transport Department considering the inflation and other factors, has already initiated a proposal for fare revision of Stage Carriage Buses.

As such, STA decided to accept the multiplication factor of 2.13 as evaluated by the Committee and directed to send a proposal for Sleeper Class fare of Stage Carriage Bus with the multiplication factor of 2.13% on the proposed revised fare of ordinary class buses which is under submission.

16. RELEASE OF FD TO APPLICANTS

19. ISSUE OF NOC/PERMIT FOR MAINLAND REGISTERED NON-BS-VI COMPLAINT VEHICLE

19.1 STA was appraised that **Shri. K Bhaskar Rao**, S/o Shri. Katta Tatayya, R/o Phongy Chaung has applied on **16/12/2022** for issuance of NOC to ply in all routes of **NMS** for his already registered mainland registered vehicle bearing Registration No. **AP39TE8666** (Tata 1613 Turbo) BS-II complaint.

On 03.10.2020, an NOC has been issued to RTO Port Blair for a vehicle registered in the applicant's name with RTO West Godavari, Eluru. A PMB document indicates that the vehicle was transported to this UT on 27/12/2020, which is well ahead of the 23.05.2022 press release.

The applicant sought an NOC for an already registered vehicle brought from mainland so that he could register it at RTO Port Blair and get a route permit from the STA. Fitness of the vehicle has already been expired on **31/03/2022**.

Despite the fact that the vehicle owner imported his mainland registered Non-BS-VI vehicle well before the STA released their press release regarding the restriction on entry of non-BSVI compliance commercial vehicles, he did not approach the STA for the issuance of the permit until 16/12/2022. It appears that the vehicle owner has plied the vehicle without obtaining permit in the UT as such liable for the penalties as decided by STA for issuance of NOC from STA for further course of process of registration and route permit as detailed under:

Table 30

S. No.	Vehicle Reg. No.	Vehicle arrived to Port Blair	Date of application made	Delay Period
1	AP39 TE8666 (Tata 1613 Turbo) HGV	27/12/2020	16/12/2022	24 months

STA observed that the applicant has made the request for issuance of permit after a long period of 24 months from the date of arrival of the vehicle in the UT. It appears that the applicant plied the vehicle without obtaining route permit and valid fitness. As such, STA directed to issue a Show Cause Notice for clarification on the delay in applying for Permit.

19.2 STA was appraised that **Shri. C. Kartick** has applied for issuance of regular permit on **02/01/2023** to ply in all routes of **NMS** for his **already registered mainland vehicle** bearing registration No. **AR06A7531 (Tata LPK 1618)** which is of **BS-IV** complaint. The vehicle was manufactured in the year **2018**. The vehicle was brought in this UT on **30.04.2022** i.e. before the press release issued by the Transport Department on **23.05.2022** for not bringing mainland registered vehicles of Non-BS-VI compliant, whereas the said vehicles reached Port Blair before publication of the said 'Press Note'.

In this regard it is to submit that the said case alongwith two others namely Shri S. Srinivas Rao and Shri Kadali Veeramsetti were placed in STA meeting held on 03.08.2022 in which STA observed that the applicants are local unemployed youth of A&N Islands and they have brought the vehicles for their livelihood and decided to grant Temporary Permits to all the three applicants for four months subject to clearance of fitness inspection.

In the cases of Shri S. Srinivas Rao and Shri Kadali Veeramsetti, STA has issued regular permits on registration of their vehicles in the RTO, Port Blair. Fitness inspection of the vehicle bearing registration No. AR06A7531 (Tata LPK 1618) of Shri.

C. Kartickhas been carried out and on clearance to fitness, Temporary Permit for the above said vehicle was issuedw.e.f **12.09.2022 to 11.01.2023** for NMS Route.

In this regard, the applicant has now requested to give permission for registration of the vehicle in RTO, Port Blair and issue regular PC Permit for his vehicle to ply in all routes of NMS. For obtaining regular permit, the vehicle is to be registered in RTO, Port Blair for which permission from STA is required.

Hence, STA decided to consider the case of the applicant for the grant of PC Permit for his vehicle to ply in all routes of NMS.

- 19.3** STA was appraised that **M/s. Mohan Mutha Exports Pvt. Ltd.** has applied on 29/11/2022 for registration of vehicle and issuance of Permit to 04 Nos of Open Tipper Vehicles to ply in all routes of **South Andaman** to undertake Restoration & Rehabilitation of Road from Km 21.00 to km 28.00 on NH-4 (old NH-223)in the Union Territory of Andaman & Nicobar Islands.The details of vehicles are given below:

The firm had brought the vehicles from mainland in the month of **Jan, 2020** which was registered in the State of Tamil Naidu as per the document of TCI Seaways (Bill of lading). The vehicle has brought to this UT before the press release dated 23.05.2022 issued regarding not registration of non-BS-VI commercial vehicles.

The fitness validity of all the vehicles has expired and the firm has applied for permit to ply in all routes of **South Andaman** and re-registration of these vehicles **after a period of about 03 years** from the date of bringing the vehicle to this UT. For obtaining regular permit, **the vehicles are to be registered in RTO, Port Blair** for which **permission from STA is required.**

STA observed that the fitness of the all the 03 vehicles were expired in the month of Nov., 2020 and it appears that the firm has still plied unfit vehicles and without having route permits. **As such, STA directed to issue a Show Cause Notice to submit its explanation for plying unfit vehicle and without having valid route permit.**

- 19.4** STA was appraised that **M/s S R Enterprises** has applied for re-registration of vehicles in this UT and for issuance of Permit on 12/01/2023 for already registered mainland vehicle bearing registration No. **UP44 AT7255** (Tata Ace BS-IV) which is of **BS-IV** complaint to ply in all routes of **South Andaman.**

Handwritten signature and initials

Board to allow the vehicle bearing registration No. **UP44 AT7255** from Chennai to Port Blair. Accordingly, the firm has brought the said mainland registered vehicle to this UT on **11/09/2021**.

Now, the firm has applied for **PC Permit** on 12/01/2023 i.e. after a delay period of 28 months from the date of bringing the vehicle to this UT stating the reason for delay was due to incomplete documents issued by the RTO, Sultanpur. In this regard, it appears that the vehicle has plied without permit, as such liable for penalty as prescribed in the Order I/8619/2023 dated 12/01/2023 as detailed under.

Table 32

S. No	Name of the applicant and Application date	Vehicle regn. No & Vehicle Class	Date of Arrival	Delay Period

In the meantime, the fitness of the vehicle also got expired. Hence, the vehicle owner could not obtain the NOC from the concerned RTO yet.

In this regard, the applicant has requested to issue for regular PC Permit for his vehicle to ply in all routes of South Andaman. For obtaining regular permit, the vehicle is to be registered in RTO, Port Blair for which permission from STA is required.

STA approved the request of the firm for issuance of permit after re-registration of vehicle in RTO, Port Blair by imposing applicable penalty for plying without permit and fitness. A detailed order may be issued with proper warning not to ply the vehicle without permit, failing which the registration shall be suspended/ cancelled.

The applicant has obtained NOC on 13/09/2021 to purchase/ register Truck with validity upto 12/09/2022 without mentioning the emission norms. Accordingly, the applicant has brought the said mainland registered vehicle to this UT on 13/04/2021(as per the document of PMB (Bill of lading)). The vehicle has brought to this UT before the press release dated 23.05.2022 issued on the matter of non-BS-VI commercial vehicles.

The applicant has also got his vehicle inspected for re-registration at STS Unit Mayabunder on 09/08/2021.

Now, the firm has applied for PC Permit on 09/02/2023 i.e. after a delay period of 22 months from the date of bringing the vehicle to this UT. It appears that the vehicle has plied without permit. In this regard, the applicant has requested to give permission for registration of the vehicle in RTO, Port Blair and issue regular PC Permit for his vehicle to ply in all routes of NMS.

STA observed that Transport Department has issued letter in the month of December, 2021 to all the Stakeholder Department for not allowing non-BS-VI vehicles to this UT and issued a press release 23/05/2022 regarding the restriction on entry of non-BSVI compliance commercial vehicles.
