As regards to the fresh cases of Transfer of Autorickshaw permits, STA directed both the STS Level Committee and Directorate Level Committee to furnish their report along with the recommendations for taking a decision.**

**1.11.b. GRANT OF FRESH NOC/PERMIT OF AUTORICKSHAW**

STA was apprised that various applications as mentioned in the below table have been received for the period from 27.09.2024 to 31.01.2025 under Section 73 of the MV Act in the STA for grant of NOC/Permit for plying Particular Contract Carriage (PCC) Autorickshaw and the detailed list is placed as 03 Annexures from Annexure L to Annexure N. The route wise abstract of applications for PCC Permits (3W) are as under:

**TABLE: 33**

2	NORTH & MIDDLE ANDAMAN	14	<b>Annexure-M</b>
3	LITTLE ANDAMAN	02	<b>Annexure-N</b>

As regards to issuance of NOC for Autorickshaw permit / NOC, it is to apprise that in order to ensure proper implementation of the decisions taken by the STA in its meeting dated 09.06.2023 decided that the applications received for grant of NOC / Permits for passenger autorickshaw may be got verified independently by two level Committees i.e. 1<sup>st</sup> Committee at STS Unit level and 2<sup>nd</sup> Committee at Directorate of Transport level. Accordingly, the two level Committees were constituted vide Order No. 2498, dated 03/07/2023. In the meeting held on 09.06.2023, **147 applications** (101 South Andaman + 43 North & Middle Andaman + 03 Little Andaman), which were received till 07.06.2023 were placed and STA decided to get it verified by 2<sup>nd</sup> level committee. Complying with the direction of STA, the 2<sup>nd</sup> level Committee examined all the 147 cases of fresh NOCs along with other Transfer cases and kept all the cases pending with the recommendation to place the matter in STA meeting for issuance of proper clarification on certain points of the guideline frames in 2007 so as enable the Committee to examine the applications properly.

Accordingly, STA decided to **obtain legal opinion from the Law Department by framing specific query as raised by the Committee pertaining to the guidelines/ conditions mandated by the STA vide its minutes of the meetings dated 2007, 2017, 2018, 2021 & 2023.**

Complying with the decision of STA, the matter was taken up with Law Department and on the point of "unemployed" the Law Department opined that the word unemployed has not been defined/ explained by the Department. On the other two points i.e. "whether person

having permits for other categories of commercial vehicle should be given NOC / permits for passenger Autorickshaw or not?” and “whether the additional conditions would also be applicable in the case of transfer of vehicle / permit of passenger autorickshaw where fresh permits are issued in his / her name for a old purchased vehicle”, the Law Department opined that being administrative in nature, a policy decision may be taken at Administrative level.

To have a specific explanation/ definition on “unemployed”, the Labour Department was requested vide letter dated 15.12.2023 and the Labour Commissioner vide letter no. 13/MIS/2010-20/LC&DET/(PF)/1264 dated 27.12.2023 stated that according to the Report on Youth Employment-Unemployment Scenario Vol-II, 2015-16, Govt. of India, Ministry of Labour & Employment, Labour Bureau, Chandigarh the definition of the term “unemployed” means **“Persons, who are owing to lack of work, had not worked either sought work through employment exchanges, intermediaries, friends or relatives or by making applications to prospective employers or expressed their willingness or availability for work under the prevailing condition of work and remuneration are considered as those who are ‘seeking or available for work’ (or unemployed)”**. Further, the LC advised that STA may obtain “Unemployment Certificate” issued by Tehsildar from the applicants at the time of making applications for NOC to subordinate the proof of “unemployed”. Also, an undertaking from the applicant may be obtained stating that they are neither employed in the Government/ Private Sector nor Self-Employed before processing the applications for issuance of NOC/ Permits for passenger autorickshaws.

The matter was placed before the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 in its meeting held on 24/01/2024 wherein **the Committee decided to devise a format of “undertaking” and recommended to obtain “undertaking” in the prescribed format and “unemployed certificate” issued by the Revenue Department (Tehsildar Office) strictly as per the definition furnished by Labour Commissioner to substantiate the proof of “Unemployed”**.

Moreover, it is to apprise that all the cases of fresh NOCs received till 26.09.2024 which were placed in the STA meetings, were deferred. Now, 46 more applications have been received for issuance of NOC/permits pertaining to autorickshaws for the period 27.09.2024 to 31.01.2025 in respect of passenger Autorickshaw.

The details of pending applications of fresh NOCs in respect of passenger Autorickshaw are mentioned as detailed under:

STA in its meeting dated 08/07/2024 was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

*"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."*

Therefore, STA decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

STA in its meeting dated 27/09/2024 was apprised that the matter pertaining to autorickshaw is under litigation before the Honorable High Court. Hence, STA took note of the status and decided to defer all the cases pertaining to issuance of fresh NOCs/ Permits to autorickshaws awaiting judgement of the Honorable High Court.

**Decision:**

**STA was apprised that the matter pertaining to autorickshaw is under litigation before the Honorable High Court. Hence, STA took note of the status and decided to defer all the cases pertaining to issuance of fresh NOCs/ Permits to autorickshaws awaiting judgement of the Honorable High Court.**

**1.11.c. Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad** vide his letter dated has requested to consider his case for issuance of permit pertaining to passenger autorickshaw bearing registration number AN01/R-9136.

In the said letter he has stated that he is an unemployed youth and due to lack of other source of income, he had applied for autorickshaw permit for which he was issued NOC. Against the said NOC, he has purchased an autorickshaw and registered in the RTO, Port Blair. Now, the applicant has requested to issue him route permit so as to ply his autorickshaw.

In the above context, it is to submit that Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad applied for grant of NOC to ply autorickshaw in all routes of South Andaman vide his application dated 01/12/2022. His case was placed in the STA Meeting held on 13/02/2023 wherein STA approved the request of the applicant for grant of NOC. Accordingly, he was issued NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 to purchase the autorickshaw.

**MINUTES OF THE STA MEETING HELD ON 04.02.2025 (AS PER AGENDA: 01/2025)**

In the meantime, several complaints were received by the STA wherein a single person was involved in the racket of plying multiple autorickshaws. The complaints were verified by scrutinizing the database of the STA from VAHAN Portal and observed that though no single owner owns more than one Autorickshaw as per the records, but in many cases of NOC applications, same mobile number had been used to obtain multiple permits. This led to a conclusion that one person i.e. the owner of the mobile number is involved in the purchase and plying of Auto-rickshaw in the name of eligible persons by manipulating the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate.

The case of Shri. Deepak Uraon, S/o. Unju Uraon was one amongst the many cases. The case was placed in the STA meeting held on 09/06/2023 wherein STA decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.

Accordingly, the NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 issued in the name of Shri. Deepak Uraon, S/o. Unju Uraon was cancelled vide Order No. 2556 dated 05/07/2023.

However, on scrutiny of records, it has been observed that Shri. Deepak Uraon had already purchased and registered his autorickshaw against the said NOC on 31/05/2023.

Aggrieved by the decision of STA, Shri. Deepak Uraon then filed a writ petition vide no. WPA/842/2023 in the High Court at Calcutta, Circuit Bench at Port Blair in which the Hon'ble Court passed an order dated 12/02/2024 disposing the writ petition which has been stated at Point No. 2.2 of the Agenda.

Now, the applicant has requested to grant him route permit to ply his autorickshaw in all routes of South Andaman.

STA in its meeting dated 08/07/2024 was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

*"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."*

Therefore, STA decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

The case was again placed before the STA in its meeting dated 27/09/2024 wherein STA was apprised that the matter pertaining to autorickshaw is under litigation before the Honorable High Court. Hence, STA took note of the status and decided to defer the case awaiting judgement of the Honorable High Court.

**Decision:**

Furthermore, with regards to point no. vii of the permit conditions pertaining to autorickshaws ***"The vehicle is not driven by the person whose name has been furnished by the owner to the STA and entered in the permit."***, the said autorickshaw should be driven by Shri. Ratan Debnath at all times. Shri. Ratan Debnath has not made any representation regarding plying of the said autorickshaw by Shri. Archak Adhikary to the STA.

Taking strict action against the violation, a Show Cause Notice vide no. MT/STA/AN01/K-9820/2024/6503 dated 07/10/2024 was issued to Shri. Ratan Debnath (registered owner of the vehicle), S/o. Motilal Debnath, R/o. Near Maruti Showroom, Bathu Basti, Sri Vijayapuram with the direction to furnish representation within 07 days.

In the above context, it is to submit that the registered owner i.e. Late. S. Murugesan expired on 25/06/2024. Now, being the legal heir, Smti. M. Renuka has requested to transfer the ownership and permit of the vehicle bearing registration number AN01/R-7975 in her name. The said autorickshaw was registered on 25/03/2023 in the name of Shri. S. Murugesan having valid permit vide no. AN2023-CC-0353A dated 15/05/2023 to ply in all routes of South Andaman with the validity upto 12/05/2028.

Smti. M. Renuka is an unemployed person possessing Islander Identity Card and does not have any other source of income for her family's livelihood. However, she does not possess valid driving licence which is one of the mandatory requirement for obtaining NOC/ Permit for plying passenger autorickshaw as on date. Although, she has submitted the driving license of the driver (Shri. P. Arun, S/o. V. Periasamy, R/o. South Point having valid driving license vide no. AN01 20180001023 and Islander Identity Card vide no. 10425409120305) through which she would be plying the said autorickshaw.

It is to apprise that STA decided in its meeting held on 15/04/2021 that *"in case of death of the permit owner, the permit may be transferred in the name of spouse who is not in possession of driving license or have crossed the age limit. Such similar cases can be permitted on case to case basis."*

Smti. M. Renuka has requested to transfer the ownership and permit of the vehicle bearing registration number AN01/R-7975 in her name and ply the said autorickshaw through a driver.

**Decision:**

**STA after examining the case decided to approve the request of Smti. M. Renuka for transfer of ownership and permit of the autorickshaw bearing registration number AN01/R-7975 in her name and ply the said autorickshaw through the driver whose detail has been furnished by the applicant.**

**1.11.h. Shri. M. Gopi**, S/o. S. Sanyasi, R/o. Phoenix Bay, Ph. No.: 9679522523 vide his application no. AN24041526806865 dated 15/04/2024 applied for renewal of route permit of autorickshaw bearing registration number AN01/N-4734.

In the above context, it is to submit that Shri. M. Gopi, S/o. S. Sanyasi, R/o. Phoenix Bay, Sri Vijaya Puram, South Andaman is the registered owner of autorickshaw bearing registration number AN01/N-4734 having permit vide number TSR/STA/18/1860 dated 31.10.2018 with the validity upto 30.10.2023 to ply in all routes of South Andaman. It is to apprise that several complaints had been received by the STA Section alleging that few persons were involved in the racket of purchasing passenger Autorickshaw in the name of eligible person who were in possession of Local Certificate/ Islander Card and leasing out to Non-Islanders Autorickshaw drivers by manipulating the conditions set by STA for obtaining NOC/permits of passenger Autorickshaw.

As regards to the allegation of plying of multiple autos by single person by obtaining Autorickshaws in the name of different persons, existing data base of STA was scrutinized from the VAHAN Portal where the mobile number of owner/ applicant is entered and it has been found that Autorickshaw permit/ NOC has been issued in the name of different owners. No single owner owns more than one autorickshaw as per the records but it is seen that same mobile numbers of the applicant is used to obtain permits in other names. This leads to a conclusion that one person i.e. the owner the of the mobile number may be involved in the purchase and plying of autorickshaw by misusing the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate.

Accordingly, the STA in its meeting held on 09.06.2023 decided to suspend the permits of such kind in which same contact number has been used for obtaining permits in the name other eligible persons.

The case of Shri. M. Gopi was one among the many cases wherein the route permit were suspended.

Complying with the decision of STA, the route permit of the autorickshaw bearing registration number AN01/N-4734 was suspended vide Order No. 2560 dated 05/07/2023 with immediate effect.

Aggrieved by the decision of STA, Shri. M. Gopi filed a case vide No. WPA/828/2023 in which the Hon'ble Court passed an order dated 20/07/2023 that "the order dated 5<sup>th</sup> July, 2023 passed by the respondent no. 1 is set aside and directed that the petitioner shall submit a representation to the respondent no. 1 within a period of fifteen days from date. In event such representation is submitted, the said respondent shall consider the same, upon granting an opportunity of hearing to the petitioner and take a decision, in accordance with law and communicate the same to the petitioner by 17<sup>th</sup> August, 2023. In the event the petitioner's representation is rejected, the said order of the respondent no. 1 shall remain stayed for a period of seven days thereafter."

In compliance to the order dated 20/07/2023 of the Hon'ble High Court, Shri. M. Gopi was given an opportunity for personal hearing vide Order No. 7855 dated 14/08/2023 before the Secretary (STA) on 16/08/2023.

**MINUTES OF THE STA MEETING HELD ON 04.02.2025 (AS PER AGENDA: 01/2025)**

The findings were placed before the STA in its meeting dated 30/08/2023 wherein STA after examining the case decided the following:

- i. Accept the tax invoice dated 25.07.2018 submitted by the Shri. M Gopi and accept the representation submitted by the applicant with the direction to the permit holder to comply with all the permit conditions mandated by the STA for plying of autorickshaw.
- ii. Dy. SP (Traffic) is directed to verify whether the name of the person driving the autorickshaw is same as entered in the permit or not?
- iii. After collection of the information from the Traffic Police, reasoned order will be issued.

As per the direction of the STA, the Dy.SP (Traffic) vide his letter dated 31/10/2023 informed that the vehicle no. AN01/N-4734 was found driving by N. Vignesh having DL No. TN6520120005195.

The matter was placed before the STA in its meeting dated 03/11/2023 wherein STA decided to suspend the permit for 02 months with the advice to the permit holder to make representation against the suspension order if he wishes to. The permit holder may also be asked to furnish details of driver to enter in the permit.

Complying with the decision of STA, the route permit of the autorickshaw bearing registration number AN01/N-4734 was suspended vide Order No. 4545 dated 13/12/2023 for a period of 2 months with the direction to make representation against the suspension order if he wishes to and furnish details of driver to enter in the permit.

The permit holder Shri. M. Gopi has neither complied nor made any representation against the said suspension order till date.

It is to submit that as on date the route permit of the vehicle autorickshaw bearing registration number AN01N-4734 has expired on 30/10/2023 and the permit holder has applied for renewal of route permit vide his application dated 15/04/2024.

**Decision:**

**STA decided to discuss the case in the next meeting.**

**2. MATTER RELATED TO AUTORICKSHAW PERMITS**

**Decision:**

**STA decided to approve the request of the applicants for entry of driver details in the route permits as mentioned in the above TABLE: 35.**

**2.2 STATUS OF LITIGATION AGAINST THE AUTORICKSHAW PERMIT HOLDERS:**

It is to apprise that several complaints were received by STA stating that few persons are involved in the racket of purchasing passenger Auto-rickshaw in the name of eligible persons who are in possession of Local Certificate/ Islander Identity Card and leasing out the autorickshaws to Non-Islander Auto-rickshaw drivers by manipulating the conditions prescribed by STA for obtaining NOC/ Permits of passenger Auto-rickshaw. The existing database of STA was scrutinized from the VAHAN software and observed that though no single owner owns more than one Autorickshaw as per the records, but in many cases of NOC applications, same mobile number had been used to obtain multiple permits. This led to a conclusion that one person i.e. the owner of the mobile number was involved in the purchase and plying of Auto-rickshaw in the name of eligible persons by manipulating the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate. **Therefore, STA decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.**

In compliance to the said decision, the Traffic Police conducted enforcement drive from time to time and furnished list of vehicles that violated the permit conditions of Autorickshaw.

Accordingly, STA taking a strict view in the matter, suspended several permits pertaining to autorickshaws who had violated the permit conditions after giving ample opportunity to the permit holders for furnishing their representations.

Aggrieved by the decision of the STA, the autorickshaw owners filled writ petitions vide No. WPA/841/2023, WPA/842/2023, WPA/844/2023, WPA/846/2023 and WPA/11/2024 in which the Hon'ble Court passed an order dated 12/02/2024 disposing the above mentioned writ petitions in terms of the answers given under the 4 issues and by way of the following directions:

- i. The condition restraining transfer of Permits, or any other conditions to the same effect, cannot be seen as being outside the statutory frame work. There is no scope for interference with regard to notices issued with specific regard to the Transfer of Permits or against the person who is otherwise unauthorized to drive the autorickshaw.
- ii. There is no scope for interference with regard to conditions which formed a part of the Permits at the time of issue and are within the parameters of the MV Act, including sections 73, 74, 82 and 86 thereof.
- iii. The respondents shall not give effect to the condition/ requirement for production of Islander Identity Card/ Local Certificate since such condition is not within the statutory contemplation. This condition has also been brought into effect through Meetings without following due procedure.
- iv. The respondents shall not give effect to any condition which was imposed subsequent to the date of the grant of Permit. This would mean conditions which were not part of the Permit granted by the respondents to the petitioners. The Court finds substance in the petitioners contention that the petitioners could not have been and were indeed not aware of the additional conditions imposed by the STA through its Meetings after the initial grant of Permits.
- v. The respondents shall only impose conditions within the mandate of the sections 73 & 74 of the MV Act for grant of new Permits and shall comply with the statutory requirements including under sections 84 and 85 of MV Act, 1988. Any additional conditions, including that of production of Local Certificate/ Islander Identity Card, will have to be put through the procedure envisaged under the MV Act and the A & N Islands M V Rules, 2006.
- vi. The respondents shall be restrained from giving effect to the impugned notices including for suspension/ cancellation of Permits only if the notices were issued outside the statutory mandate of sections 82 and 86 of the MV Act.
- vii. Any conditions which are imposed subsequently shall be given effect to after 4 weeks from the communication of the condition to the concerned stakeholder/s.

It is seen that the directions issued vide order dated 12.2.2024 at Sl No. iii and v are against the statnd taken by STA i.e. production of Islander card/ Local Certificate for obtaining autorickshaw permit. It has been therefore decided to challenge the order dated 12.2.2024 passed by the Single Bench of Hon'ble High Court against Point No. iii and Point No. v as mentioned above before the Hon'ble Division Bench of Calcutta High Court. The order dated 12.2.2024 also finds the observations made by the Hon'ble Court itself at point no. 40 and 41 of the judgement dated 12/02/2024 which is reproduced below:

40. The argument of the A & N Islands requiring affirmative measures for securing employment to local people and to "Islanders" i.e. those who have lived in the Islands for a minimum of 10 years, is no doubt a compelling argument. It is common knowledge that the Administration is the predominant employer with very few private players offering employment opportunities to the local people. The geography/ topography of the Islands poses further challenges in terms of limited resources. Hence, the STA's deliberations for protecting employment opportunities for Islanders/ local persons is a legitimate concern.

41. There are, however, several practical difficulties attached to this condition. The first is the identification process for "Islanders" and the exclusion of those who have lived for several years in the islands but have not completed the minimum base line of 10 years. Second, the over-arching violation of Articles 14 and 19(1)(g) of the Constitution where non-islanders may be at the receiving end of such discrimination cannot be ignored respectfully.

Since the Hon'ble Court has appreciated the fact regarding taking affirmative measures for securing employment to local people, it is decided to challenge the order dated 12.2.2024. The appeal prepared by the Advocate has been vetted by the Law Department and the same has also been filed in the Hon'ble High Court.

STA in its meeting dated 08/07/2024 took note of the present status of cases pertaining to autorickshaw and directed the Transport Department to pursue the case properly. This case has not come up for hearing in the Hon'ble High Court so far.

The matter was again placed before the STA in its meeting dated 27/09/2024 wherein STA took note of the present status of the case pertaining to autorickshaw and directed the Transport Department to pursue the case properly.

**Decision:**

**STA took note of the present status of the case pertaining to autorickshaw.**

**2.3.** It is to apprise that a letter dated 16/01/2025 has been received from the Director of Industries & Member Secretary, A & NI, KVIB bearing letter no. M-17036/2/2024-Dev Off-KVIB-INDS\_AN/273 dated 03/01/2025 it has been requested to review the permits issued to commercial vehicles and issuance of NOC.

In the said letter, it has been stated that the worthy Chief Secretary, A & N Administration/ Chairman ANI KVIB during the 95<sup>th</sup> meeting of the ANI KVIB had issued a directive to review the permits issued to commercial vehicles, particularly auto rickshaws, in each district, considering factors such as carrying capacity, traffic conditions and parking areas.

It is further mentioned that the objective of the review was to ensure that the allocation of permits aligns with the current traffic dynamics, the carrying capacity of the vehicles and the availability of suitable parking areas in each district.

Also, in the said letter, attention has been invited to a concern regarding the issuance of No Objection Certificates (NOCs) for the purchase and operation of commercial vehicles, particularly in the context of beneficiaries intending to avail financial assistance under the Prime Minister's Employment Generation Programme (PMEGP) scheme.

It is mentioned that the number of candidates arriving at the Board Office with NOCs issued by the STA has been escalating rapidly. This situation is raising concerns about the potential over-proliferation of commercial vehicles, especially autorickshaws in the islands. Hence, it is crucial to review whether this growing number of vehicles is proportionate to the carrying capacity, traffic conditions and parking areas.

In light of the above, the Director of Industries & Member Secretary, A & NI, KVIB has requested to initiate the process of reviewing the permits issued to commercial vehicles, particularly auto rickshaws in each district as directed by the worthy Chief Secretary, A & N Administration/ Chairman ANI KVIB. It is further requested to assess the issuance of NOCs for the purchase and operation of commercial vehicles ensuring that the number of vehicles is proportionate to the carrying capacity, traffic conditions and parking areas so as to ensure the sustainable and efficient operation of commercial vehicles in the region.

**In this regard, the following is submitted:**

- a. There are 5200 autorickshaws plying in the A & N Islands.
- b. All the applications received upto 07/06/2023 have been considered and issued permits.
- c. Cases pertaining to replacement of vehicles against condemnation are also considered by the STA.
- d. Furthermore, for the applications received after 7/6/23, two Committees (STS Unit Level and Directorate Level Committee) have been formed by the STA for scrutiny of these applications of autorickshaws and proper implementation of the decisions taken by the STA in its previous meetings.

**Decision:**

**STA was apprised that the issuance of autorickshaw permits have been kept on hold as the matter pertaining to autorickshaw is under litigation before the Honorable High Court.**

## 2.4. VIOLATION OF PERMITS

2.4.a. STA was apprised that the DySP (Traffic) vide their two letters dated 20.10.2023 and 01.11.2023 had furnished the list of 39 and 248 Passenger Autorickhaws wherein they were found to be driven by other person whose name is not entered in the permit thus violating the permit condition of passenger Autorickhaw. The matter was placed in the STA meeting held on 03.11.2023 wherein STA decided the following:

- a. Secy, STA to check each case to verify whether the permit was issued prior to/ after framing of guidelines/ additional conditions in the year 2007.
- b. In case, the permit has been issued prior to framing of guidelines/ additional conditions, the permit holder shall be asked to furnish details of driver to be entered in the permit.
- c. In case, the permit has been issued after the date of framing guidelines/ additional conditions, a "Show Cause Notice" may be issued and put up such cases in the next STA meeting for taking decision.

Complying with the decision of STA, 190 Show Cause Notices had been issued to the permit holders. In response to the Show Cause Notices, 92 permit holders had responded.

The representations of all the 92 permit holders were placed in the STA meeting held on 05.01.2024 wherein STA vide Minutes Point No. 4 (i) and (ii) decided that those permit holders who have responded to the Show Cause Notices/ Suspension Orders, the representations may be referred to the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 for examination and recommendations of committee may place in the next STA meeting for taking a decision.

The recommendations of the Committee were placed before STA vide circulation in which STA decided to issue stringent warning to 91 permit holders with the direction to furnish the details of the Local Certificate/ Islander Identity Card possessed by the drivers. The representation of one permit holder was kept at abeyance as the permit holder had moved to the Hon'ble High Court for seeking relief.

Furthermore, 31 more permit holders had submitted their representation against the Show Cause Notices issued to them. The representations of all the 31 permit holders were placed before the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 for examination and recommendations.

The recommendations of the Committee were placed before STA vide circulation in which STA decided to issue stringent warning to all the 31 permit holders with the direction to furnish the details of the Local Certificate/ Islander Identity Card possessed by the drivers.

It is further to apprise that the STA Section has received representations of 17 more permit holders who have responded against the show cause notices. 50 autorickshaw owners have not responded to the Show Cause Notices so far.

The cases were placed before the STA in its meeting dated 08/07/2024 wherein STA after examining the case, decided to issue stringent warning to the 17 permit holders who have responded to the Show Cause Notices. Further, STA taking a strict view, decided to suspend the permits of the remaining 50 permits holders who have not yet responded to the Show Cause Notices.

**Decision:**

**STA decided to dispose-off the cases as mentioned in the above TABLE: 36 by imposing applicable penalty.**

**2.4.b.** STA was apprised that the Dy. SP (Traffic) vide their letter dated 03/01/2024 furnished the list of 41 Passenger Autorickhaws wherein they were found to be driven by other person whose name is not entered in the permit thus violating the permit condition of passenger Autorickhaw.

STA section scrutinized the cases and in the first instant it has been observed that out of the total 41 cases, repeated name and vehicle numbers were found in 02 cases. Out of the remaining 39 cases, 04 such cases were found to be other than passenger autorickshaws. On further scrutiny of the remaining 35 cases, it has been found that action has already been taken vide STA meetings dated 30.08.2023 and 03.11.2023 in respect of 10 cases.

Hence, records of all the remaining 25 cases were verified in which 04 permits are found to be issued prior to framing of guidelines in 2007 and 21 permits are issued after the framing of guidelines in 2007. Out of the 21 permits, 01 permit holder has also applied for transfer of ownership of his vehicle.

STA after examining the case decided to issue warning notices along with direction to furnish details of the Driver to the 04 permit holders who had been issued permits prior to 2007. Further, STA taking a strict view, decided to issue Show Cause Notices to 20 permit holders who had been issued permits after 2007 i.e. after framing of additional guidelines pertaining to autorickshaw permits.

The below mentioned 20 permit holders who had been issued permits after 2007 were issued Show Cause Notices out of which 15 permit holders have responded to the Show Cause Notices and furnished their representation. The details are as under:

**3.3.b. Smti. Saras Kumari**, R/o. Caddle Gunj, Ferrargunj Tehsil vide her application dated 04/11/2024 has requested for change of category of permit from Contract Carriage to Stage Carriage (Bambooflat to Wimberlygunj and vice versa) and ply her vehicle bearing registration number AN01/E-8159 (Mahindra Jeep BS-III) as a Stage Carriage.

In the above context, it is to submit that the vehicle bearing registration number AN01/E-8159 (Mahindra Jeep BS-III) was registered in the RTO, Sri Vijaya Puram in the name of Smti. Saras Kumari on 08/10/2009. The said vehicle is having contract carriage permit vide permit no. dated to ply in all routes of South Andaman.

Now, the permit holder has requested to change the permit type from Contract Carriage to Stage Carriage and ply in the route Bambooflat to Wimberlygunj and vice versa as a stage carriage jeep.

**Decision:**

**STA decided to accept the request of Smti. Saras Kumari for conversion of her existing CC Permit into Stage Carriage Permit for her vehicle bearing registration number AN01/E-8159.**

**3.3.c.** It is to apprise that a letter dated 24/01/2025 has been received from Kalapani Auto Union, Aberdeen Bazaar, Sri Vijaya Puram regarding their objection in issuance of SC Permits for jeeps on link road from Dandus Point to Namunaghar (via Hathi Tapu, Sixty Khari, Mulla Pahar Nagar, Quarry and vice versa Namunaghar Junction).

In the said letter, the General Secretary, Kalapani Auto Union has stated that they are having no objection for the jeeps operating exclusively on the route from Dandus Point to Namunaghar via Babu Basti. However, they oppose the extension of route for jeeps to other link road areas as mentioned above as the above regions constitute their primary operation zones and introduction of stage carriage jeeps will severely disrupt the auto movement and the autorickshaws plying in that area will not get sufficient passengers and will badly effect their income and their livelihood. The autorickshaw union is providing their services in the said

*Any*

areas faithfully and efficiently for years providing reliable, affordable and accessible mode of transport for the public. Allowing jeep services in these zones will create undue completion, leading to reduced passenger availability for the autorickshaw drivers. This disruption could force many autorickshaw drivers to opt for other source of livelihood. Furthermore, the entry of larger vehicles like jeeps into these areas may lead to increased congestion on narrower roads compromising road safety and the smooth flow of traffic. The autorickshaw services have been tailored to meet the specific needs of these regions ensuring minimal disruption to daily life and maximising convenience for commuters.

The Kalapani Auto Union has requested to consider the decision of allowing the operation of SC jeeps in the link roads Dandus Point to Namunaghar (via Hathi Tapu, Sixty Khari, Mulla Pahar Nagar, Quarry and vice versa Namunaghar Junction and requested to restrict the operation of SC jeeps to Dandus Point to Namunaghar via Babu Basti and viceversa.

In the above context, it is to apprise that the STA in its meeting dated 08/07/2024 had granted approval to 11 Jeeps to ply as Stage Carriage (SC) in route Dundus Point to Namnunaghar via Babu Basti, Hathi Tapu, Mitha Khari, Mulla Pahar, Sixty Nagar, Quarry and vice versa (Namunaghar Junction)

**Decision:**

**STA was informed that the stage carriage jeeps plying in the area provide last mile connectivity along with an affordable means of transport. Hence, STA decided not to consider the request of the Kalapani Auto Union.**

- Chatham to Medical via JNRM or
- Chatham to Calicut (Pema Junction) or
- Chatham to Garacharma via Goalghar.

Furthermore, the STA was apprised that the vehicle bearing registration no. AN01/A-9919 was registered in the year 21.10.1998 and has completed more than 25 years of its useful life and considering the above fact, STA in its meeting dated 05.01.2024 observed that the bus is more than 25 years old and not suitable for issuance of fresh stage carriage permit hence decided to reject the request of the applicant.

**MINUTES OF THE STA MEETING HELD ON 04.02.2025 (AS PER AGENDA: 01/2025)**

It is further to submit that the applicant in the said letter has stated that the Transport Department has issued Stage Carriage Permits to the below mentioned buses:

The report of the Committee has been received wherein the Committee did not consider the request of the applicant.

The case was again placed before the STA in its meeting held on 27/09/2024 wherein STA after considering the fact that there are several buses of similar age plying as stage

**10.3. Shri. Bikas Mistry**, R/o. Shaheed Dweep has requested to consider his old pending case for issuance of tourist permit and release his vehicle bearing registration number AN01/P-8706 from PS Shaheed Dweep.

In the said letter, the applicant has stated that before purchasing the vehicle bearing registration number AN01/P-8706, he was issued with No Objection Certificate by the Department vide CA. NO. 50256 dated 28-08-2017, which was extended from time to time (Copy enclosed), as he was financially very poor and could not afford to purchase the vehicle.

However, with the support of the Administration and Bank, he gathered some courage and purchased the vehicle and got it registered on 08-11-2019. He had to take a loan of about Rs 16 lakhs from SBI for purchase of the vehicle. All the required formalities like fitness, Road Tax and Insurance also done for time to time and he is ready comply with all required formalities if any.

The applicant has further stated that unfortunately he could not pursue it after purchase of the vehicle due the unfortunate incident of COVID-19, where his entire family was affected and he lost his mother during the COVID period. The vehicle was lying idle and could not be operated due to COVID-19 condition.

After COVID, he was under tremendous pressure for repayment of loan, for which he had to operate the vehicle at Shaheed dweep for maintaining his family as it is the only source of my livelihood. He could not pursue the matter for issuing Tourist Permit from the Department due to his innocence and lack of knowledge despite having all records.

Recently, he was given a Show Cause Notice vide No. MT/STA/AN01/P-8706/2024/4325 dated 26-07-2024 and Order vide no. 2018 dated 20-08-2024, whereby my registration has been cancelled for three months and the vehicle also surrendered to SHO, Shaheed Dweep.

In the above context it is to submit that the applicant had been issued NOC vide no. MT/STA/NOC4/2017/2051 dated 28/08/2017, CANO-50256 to ply Contract Carriage Vehicle (Tempo Traveller) in all routes of Shaheed Dweep. Against the said NOC, the applicant has purchased and registered the vehicle Force Tempo Traveller Mini Bus-26 Str in the RTO, Sri Vijayapuram on 08/11/2019.

Since, the registration, the applicant has been plying the vehicle without obtaining route permit.

Furthermore, the said vehicle was found plying at Shaheed Dweep without valid permit during the inspection carried out by the Transport Department on 13/07/2024 and 14/07/2024 violating Section 192A (1) of MV Act, 1988. Taking strict action against the violation, the Registration Certificate of the said vehicle was suspended vide Order Nos. 2018 dated 20/08/2024 with the direction to surrender the vehicle at PS Shaheed Dweep.

The said vehicle has been detained and kept at PS Shaheed Dweep since then.

Now, the applicant vide his letter has requested to consider his case sympathetically for issuing permit being an old case i.e. before COVID-19 and release his vehicle vide Registration No. AN01/P-8706, which is presently under the custody of SHO, Shaheed Dweep.

**Decision mentioned at Point No. 11.7.b.**

Accordingly, he submitted his application in the STA Section dated 19/07/2019.

The applicant has further submitted that due to COVID-19 pandemic, he had no income due to which he could not pay the EMI of the borrowed loan. Consequently, his vehicle was reposed by Mahindra & Mahindra Finance Services Ltd., Sri Vijaya Puram and was put on auction.

However, the applicant has stated that he managed to raise some amount and re-purchased the said vehicle to use it for commercial purposes to earn his livelihood. The applicant has further requested to consider his application for issue of permit.

In the above context, it is to submit that Shri. Satyajeet Mondal, S/o. Late Ashim Mondal, R/o. Ram Nagar, Shaheed Dweep is registered owner of the vehicle bearing registration number AN01/N-7573 (Datson Go Plus, BS-IV) registered in the RTO, Sri Vijaya Puram dated 14/12/2018 under Non-Transport Category. The case was placed in the STA Meeting dated 04/04/2022 wherein STA directed to inform the applicants seeking NOC/ Permits to apply afresh.

**11.1.g.ii. Shri. Nani Gopal Das**, R/o Swaraj Dweep, Ph 9474206171 vide his application dated 13/12/2024 has requested permission for purchase and ply water tanker in all routes of Swaraj Dweep.

The applicant has applied for NOC on 28.04.2023 to purchase and obtain route permits for 02 Nos. water tankers vide application No. AN23042828210470 & AN23042818211114 in all routes of Swaraj Dweep.

The applicant in his application has stated that thousands of tourists are visiting in Swaraj Dweep daily and to provide food and accommodation, number of hotels & restaurants are running in the Island. Water is the basic need for the local residents, restaurants and hotels and to cater the water requirements, presently transportation of water is done illegally through normal trucks and vans compromising the safety of other road users. Accordingly, the applicant has recently obtained NOC for ground water abstraction from District Administration for Swaraj Dweep.

In the above context, it is to submit that STA has received numerous complaints regarding illegal transportation of water through sintex and GI tanks and the Transport Department has taken penal action against the violations but the practice still continues.

no such decision has been taken by the STA wherein permits of water tanker to ply in Swaraj Dweep would be granted to applicants who possess Licence/NOC for water abstraction from UT Administration.
