1.5.b. DECISION ON TRAILERS

i. It is to apprise that an application has been received from R. Veera Raj dated 19/07/2024 requesting to issue NOC for plying his vehicle Ashok Leyland 5520U BS6 GVW 55K (Trailer) in all routes of North, Middle and South Andaman.

In the above context, it is to submit that the applicant vide his application dated 18/06/2024 had applied for grant of NOC for his vehicle Ashok Leyland 5520U BS6 GVW 55K in all routes of North, Middle and South Andaman. However, at the time of making application, the applicant did not specify the said vehicle being a **trailer**.

Considering the said vehicle as **truck**, the case was placed in the STA meeting held on 08/07/2024 wherein **STA** approved the request of the applicant for grant of NOC to ply the vehicle in all routes of North, Middle and South Andaman.

Now, the applicant vide his application dated 19/07/2024 has informed that the vehicle Ashok Leyland 5520U BS6 GVW 55K is a **trailer** and **not truck** and requested to consider his application for grant NOC to ply the said vehicle in all routes of **North, Middle and South Andaman** and also enable him to register the said vehicle in the RTO, Sri Vijaya Puram as **Trailer** and not truck.

With the approval of the Chairman (STA), the case was referred to DySP (Traffic) for examination and report on the feasibility of the route and timing.

The report from DySP (Traffic) has been received wherein it has receommended for the plying of the said vehicle i.e. Ashok Leyland 5520U BS6 GVW 55K (Trailer) in the route of North, Middle and South Andaman in the timings from 09:00 PM to 05:00 AM.

Decision:

STA after examining the case, decided to approve the request of the applicant for grant of NOC to ply the vehicle (Ashok Leyland 5520U BS6 GVW 55K, Trailer) in all routes of North, Middle and South Andaman and enable him to register the said vehicle in the RTO, Sri Vijaya Puram with the following restrictions in movement as detailed under:

| Within Municipal Area | : 09:00 PM to 05:00 AM | |
|------------------------|------------------------|--|
| Outside Municipal Area | : Whole day | |

ii. It is to apprise that applications dated 28/02/2024 and 31/07/2024 were received from R. Veera Raj requesting extension of route permit for his vehicle bearing registration number AN01/R-9226 (40 ft. Trailer) from existing jurisdiction of South Andaman (Port of Haddo, Chatham, Junglight, Coast Guard to Port Mout

and vice versa with the restriction in movement between 09:00 PM and 05:00 AM) to North, Middle and South Andaman.

The case was placed in the STA meeting held on 30/08/2023 wherein STA decided to seek clarification from the Directorate of Shipping Services if the 40 ft Trailer along with the Prime Mover (AN01/R-9226) can be accommodated in the vehicle ferry operated by them in the Middle Straight before consideration of the request of the applicant.

Accordingly, a letter dated 26/09/2023 addressed to the Assistant Director (Shipping), Commercial Wing was issued seeking clarification for transportation of 40 ft. Trailer in the vehicle ferry.

Since no reply has been received from the Directorate of Shipping Services a reminder letter dated 19/08/2024 has also been sent to Directorate of Shipping Services. No reply has been received to furnish.

The applicant vide his letter dated 31/07/2024 has stated that the said vehicle has already traversed to Baratang from Sri Vijaya Puram by taking available means of vehicle ferry on 23/04/2024 and returned back to Sri Vijaya Puram on 24/04/2024 for which no objection has been raised by the Directorate of Shipping Services who is operating the ferry services at Baratang. The applicant has further enclosed the Ferry tickets validating the same.

Hence, the applicant has requested to grant him route permit to ply his vehicle ANO1/R-9226 in all routes of North, Middle and South Andaman.

In the above context, it is to submit that the vehicle bearing registration number AN01/R-9226 is registered in the RTO, Sri Vijaya Puram on 04/11/2022 and has been issued route permit to ply from Port of Haddo, Chatham, Junglight, Coast Guard to Port Mout and vice versa with the restriction in movement between 09:00 PM and 05:00 AM) vide no. PC/STA/2023/5880 dated 23/12/2022.

STATE TRANSPORT AUTHORITY

1.7 AUTORICKSHAW PERMITS

1.7.a. Various applications as mentioned in the below table have been received for the period from 03.07.2024 to 26.09.2024 under Section 73 of the MV Act in the STA for grant of NOC/Permit for plying Particular Contract Carriage (PCC) Autorickshaw. The route wise details are as under:

| Sl. No | Jurisdiction applied for | Total Applications Received | Annexure |
|-----------|---------------------------|-----------------------------|------------|
| 1 | SOUTH ANDAMAN | 38 | Annexure-L |
| 2 | NORTH & MIDDLE ANDAMAN | 14 | Annexure-M |
| 3 | CAMPBELL BAY | 01 | Annexure-N |
| | TOTAL | 53 | |

As regards to issuance of NOC for Autorickshaw permit / NOC, it is to apprise that in order to ensure proper implementation of the decisions taken by the STA in its meeting dated 09.06.2023 decided that the applications received for grant of NOC / Permits for passenger autorickshaw may be got verified independently by two level Committees i.e. 1st Committee at STS Unit level and 2nd Committee at Directorate of Transport level. Accordingly, the two level Committees were constituted vide Order No. 2498, dated 03/07/2023. In the meeting held on 09.06.2023, 147 applications (101 South Andaman + 43 North & Middle Andaman + 03 Little Andaman), which were received till 07.06.2023 were placed and STA decided to get it verified by 2nd level committee. Complying with the direction of STA, the 2ndlevel Committee examined all the 147 cases of fresh NOCs along with other Transfer cases and kept all the cases pending with the recommendation to place the matter in STA meeting for issuance of proper clarification on certain points of the guideline frames in 2007 so as enable the Committee to examine the applications properly.

Accordingly, STA decided to obtain legal opinion from the Law Department by framing specific query as raised by the Committee pertaining to the guidelines/conditions mandated by the STA vide its minutes of the meetings dated 2007, 2017, 2018, 2021 & 2023.

Complying with the decision of STA, the matter was taken up with Law Department and on the point of "unemployed" the Law Department opined that the word unemployed has not been defined/ explained by the Department. On the other two points i.e. "whether person having permits for other categories of commercial vehicle should be given NOC / permits for passenger Autorickshaw or not?" and "whether the additional conditions would also be applicable in the case

of transfer of vehicle / permit of passenger autorickshaw where fresh permits are issued in his / her name for a old purchased vehicle", the Law Department opined that being administrative in nature, a policy decision may be taken at Administrative level.

To have a specific explanation/ definition on "unemployed", the Labour Department was requested vide letter dated 15.12.2023 and the Labour Commissioner vide letter no. 13/MIS/2010-20/LC&DET/(PF)/1264 dated 27.12.2023 stated that according to the Report on Youth Employment-Unemployment Scenario Vol-II, 2015-16, Govt. of India, Ministry of Labour & Employment, Labour Bureau, Chandigarh the definition of the term "unemployed" means "Persons, who are owing to lack of work, had not worked either sought work through employment exchanges, intermediaries, friends or relatives or by making applications to prospective employers or expressed their willingness or availability for work under the prevailing condition of work and remuneration are considered as those who are 'seeking or available for work' (or unemployed)". Further, the LC advised that STA may obtain "Unemployment Certificate" issued by Tehsildar from the applicants at the time of making applications for NOC to subordibate the proof of "unemployed". Also, an undertaking from the applicant may be obtained stating that they are neither employed in the Government/ Private Sector nor Self-Employed before processing the applications for issuance of NOC/ Permits for passenger autorickshaws.

The matter was placed before the Directorate Level Committee constituted vide Order No. 2498 dated 03/07/2023 in its meeting held on 24/01/2024 wherein the Committee decided to devise a format of "undertaking" and recommended to obtain "undertaking" in the prescribed format and "unemployed certificate" issued by the Revenue Department (Tehsildar Office) strictly as per the definition furnished by Labour Commissioner to substantiate the proof of "Unemployed".

Moreover, it is to apprise that all the cases of fresh NOCs and Transfer cases received till 02.07.2024 which were placed in the STA meetings, were deferred. Now, 53 more applications have been received for issuance of NOC/permits and 23 applications for Transfer of Ownership pertaining to autorickshaws for the period 03.07.2024 to 26.09.2024 in respect of passenger Autorickshaw.

STA in its meeting dated 08/07/2024 was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."

Therefore, STA decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

Decision:

STA was apprised that the matter pertaining to autorickshaw is under litigation before the Honorable High Court. Hence, STA took note of the status and decided to defer all the cases pertaining to issuance of fresh NOCs/ Permits to autorickshaws.

As regards to the cases pertaining to Transfer of Autorickshaw permits, STA directed both the STS Level Committee and Directorate Level Committee to furnish their report along with the recommendations within 15 days without fail for taking a decision.

1.7.b. Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad vide his letter dated has requested to consider his case for issuance of permit pertaining to passenger autorickshaw bearing registration number AN01/R-9136.

In the said letter he has stated that he is an unemployed youth and due to lack of other source of income, he had applied for autorickshaw permit for which he was issued NOC. Against the said NOC, he has purchased an autorickshaw and registered in the RTO, Sri Vijaya Puram. Now, the applicant has requested to issue him route permit so as to ply his autorickshaw.

In the above context, it is to submit that Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad applied for grant of NOC to ply autorickshaw in all routes of South Andaman vide his application dated 01/12/2022. His case was placed in the STA Meeting held on 13/02/2023 wherein STA approved the request of the applicant for grant of NOC. Accordingly, he was issued NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 to purchase the autorickshaw.

In the meantime, several complaints were recived by the STA wherein a single person was involved in the racket of plying multiple autorickshaws. The complaints were verified by scrutizing the database of the STA from VAHAN Portal

JA J

and observed that though no single owner owns more than one Autorickshaw as per the records, but in many cases of NOC applications, same mobile number had been used to obtain multiple permits. This led to a conclusion that one person i.e. the owner of the mobile number is involved in the purchase and plying of Autorickshaw in the name of eligible persons by manipulating the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate.

The case of Shri. Deepak Uraon, S/o. Unju Uraon was one amongst the many cases. The case was placed in the STA meeting held on 09/06/2023 wherein STA decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.

Accordingly, the NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 issued in the name of Shri. Deepak Uraon, S/o. Unju Uraon was cancelled vide Order No. 2556 dated 05/07/2023.

However, on scrutiny of records, it has been observed that Shri. Deepak Uraon had already purchased and registered his autorickshaw against the said NOC on 31/05/2023.

Aggrieved by the decision of STA, Shri. Deepak Uraon then filed a writ petition vide no. WPA/842/2023 in the High Court at Calcutta, Circuit Bench at Sri Vijaya Puram in which the Hon'ble Court passed an order dated 12/02/2024 disposing the writ petition which has been stated at Point No. 2.1 of the Agenda.

Now, the applicant has requested to grant him route permit to ply his autorickshaw in all routes of South Andaman.

STA in its meeting dated 08/07/2024 was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024 passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."

Therefore, STA decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

Decision:

STA was apprised that the matter pertaining to autorickshaw is under litigiation before the Honorable High Court. Hence, STA took note of the status and decided to defer the case awaiting judgement of the Honorable High Court.

1.7.c. Smti. Kasturi, W/o. Late. B. Suresh Kumar R/o. Dairy Farm, Sri Vijaya Puram, Ph. No.: 9531927028, vide her application dated 27/08/2024 has requested for change of ownership of the autorickshaw bearing registration no. AN01/G-8817 in her name and transfer of permit from her deceased husband, Late. B. Suresh Kumar who is the registered owner of the said autorickshaw.

In the above context, it is to submit that the registered owner i.e. Late. B. Suresh Kumar expired on 25/12/2018. Now, being the legal heir, Smti. Kasturi has requested to transfer the ownership and permit of the vehicle bearing registration number AN01/G-8817 in her name.

Smti. Kasturi is an unemployed person possessing Islander Identity Card and does not have any other source of income for her family's livelihood. However, she does not posses valid driving licence which is one of the mandatory requirement for obtaining NOC/ Permit for plying passenger autorickshaw as on date. Although, she has submitted the driving license of the driver (Shri. Thomas George having valid driving license vide no. AN0120090036317) through which she would be plying the said autorickshaw.

It is to apprise that STA decided in its meeting held on 15/04/2021 that "in case of death of the permit owner, the permit may be transferred in the name of spouse who is not in possession of driving license or have crossed the age limit. Such similar cases can be permitted on case to case basis."

Smti. Kasturi has requested to transfer the ownership and permit of the vehicle bearing registration number AN01/G-8817 in her name.

Decision:

STA after examining the case decided to the approve the request of Smti. Kasturi for transfer of ownership and permit of the vehicle bearing registration number ANO1/G-8817 in her name by incorporating the name of the driver in the permit who will be plying the said autorickshaw.

The driver should possess Local Certificate/ Islander Identity Card along with valid Driving License.

2. MATTER RELATED TO AUTORICKSHAW PERMITS

2.1 STATUS OF LITIGATION AGAINST THE AUTORICKSHAW PERMIT HOLDERS:

It is to apprise that several complaints were received by STA stating that few persons are involved in the racket of purchasing passenger Auto-rickshaw in the name of eligible persons who are in possession of Local Certificate/ Islander Identity Card and leasing out the autorickshaws to Non-Islander Auto-rickshaw drivers by manipulating the conditions prescribed by STA for obtaining NOC/ Permits of passenger Auto-rickshaw. The existing database of STA was scrutinized from the VAHAN software and observed that though no single owner owns more than one Autorickshaw as per the records, but in many cases of NOC applications, same mobile number had been used to obtain multiple permits. This led to a conclusion that one person i.e. the owner of the mobile number was involved in the purchase and plying of Auto-rickshaw in the name of eligible persons by manipulating the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate. Therefore, STA decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.

In compliance to the said decision, the Traffic Police conducted enforcement drive from time to time and furnished list of vehicles that violated the permit conditions of Autorickshaw.

Accordingly, STA taking a strict view in the matter, suspended several permits pertaining to autorickshaws who had violated the permit conditions after giving ample opportunity to the permit holders for furnishing their representations.

Aggrieved by the decision of the STA, the autorickshaw owners filled writ petitions vide No. WPA/841/2023, WPA/842/2023, WPA/844/2023, WPA/846/2023 and WPA/11/2024 in which the Hon'ble Court passed an order dated 12/02/2024 disposing the above mentioned writ petitions in terms of the answers given under the 4 issues and by way of the following directions:

- i. The condition restraining transfer of Permits, or any other conditions to the same effect, cannot be seen as being outside the statutory frame work. There is no scope for interference with regard to notices issued with specific regard to the Transfer of Permits or against the person who is otherwise unauthorized to drive the autorickshaw.
- ii. There is no scope for interference with regard to conditions which formed a part of the Permits at the time of issue and are within the parameters of the MV Act, including sections 73, 74, 82 and 86 thereof.
- iii. The respondents shall not give effect to the condition/ requirement for production of Islander Identity Card/ Local Certificate since such condition is not within the statutory contemplation. This condition has also been brought into effect through Meetings without following due procedure.
- iv. The respondents shall not give effect to any condition which was imposed subsequent to the date of the grant of Permit. This would mean

conditions which were not part of the Permit granted by the respondents to the petitioners. The Court finds substance in the petitioners contention that the petitioners could not have been and were indeed not aware of the additional conditions imposed by the STA through its Meetings after the initial grant of Permits.

- v. The respondents shall only impose conditions within the mandate of the sections 73 & 74 of the MV Act for grant of new Permits and shall comply with the statutory requirements including under sections 84 and 85 of MV Act, 1988. Any additional conditions, including that of production of Local Certificate/ Islander Identity Card, will have to be put through the procedure envisaged under the MV Act and the A & N Islands M V Rules, 2006.
- vi. The respondents shall be restrained from giving effect to the impugned notices including for suspension/ cancellation of Permits only if the notices were issued outside the statutory mandate of sections 82 and 86 of the MV Act.
- vii. Any conditions which are imposed subsequently shall be given effect to after 4 weeks from the communication of the condition to the concerned stakeholder/s.

It is seen that the directions issued vide order dated 12.2.2024 at Sl No. iii and v are against the stand taken by STA i.e. production of Islander card/Local Certificate for obtaining autorickshaw permit. It has been therefore decided to challenge the order dated 12.2.2024 passed by the Single Bench of Hon'ble High Court against Point No. iii and Point No. v as mentioned above before the Hon'ble Division Bench of Calcutta High Court. The order dated 12.2.2024 also finds the observations made by the Hon'ble Court itself at point no. 40 and 41 of the judgement dated 12/02/2024 which is reproduced below:

- 40. The argument of the A & N Islands requiring affirmative measures for securing employment to local people and to "Islanders" i.e. those who have lived in the Islands for a minimum of 10 years, is no doubt a compelling argument. It is common knowledge that the Administration is the predominant employer with very few private players offering employment opportunities to the local people. The geography/ topography of the Islands poses further challenges in terms of limited resources. Hence, the STA's deliberations for protecting employment opportunities for Islanders/ local persons is a legitimate concern.
- 41. There are, however, several practical difficulties attached to this condition. The first is the identification process for "Islanders" and the exclusion of those who have lived for several years in the islands but have not completed the minimum base line of 10 years. Second, the over-arching violation of Articles 14 and 19(1)(g) of the Constitution where non-islanders may be at the receiving end of such discrimination cannot be ignored respectfully.

Since the Hon'ble Court has appreciated the fact regarding taking affirmative measures for securing employment to local people, it is decided to challenge the order dated 12.2.2024. The appeal prepared by the Advocate has been vetted by the Law Department and the same has also been filed in the Hon'ble High Court.

STA in its meeting dated 08/07/2024 took note of the present status of cases pertaining to autorickshaw and directed the Transport Department

to pursue the case properly. This case has not come up for hearing in the Hon'ble High Court so far.

Decision:

STA took note of the present status of the case pertaining to autorickshaw and directed the Transport Department to pursue the case properly.

2.2 REVIEW OF PERMIT CONDITION

2.2.a. After the outcome of the Writ Petitions bearing Nos. WPA/841/2023, WPA/842/2023, WPA/844/2023, WPA/846/2023 and WPA/11/2024 in which the Hon'ble Court passed an order dated 12/02/2024, the Island Joint Auto Union Federation and Andaman & Nicobar Janta Party vide their letters dated 07/03/2024 and 15/03/2024 respectively have requested for framing byelaws and statutory formal codification under Rule 50(1) of the A & N Motor Vehicle Rules, 2006 in accordance with law in exercise of delegated powers under the Motor Vehicles Act in regard to policy of adopting eligibility criteria for issuance of permits to the contract carriages (autorickshaws) only to the Islanders possessing Islander Identity Cards/ Local Certificates for immediate implementation of the same as per law.

In the said letters it has been stated that the permits for contract carriages (autorickshaws) are granted to individual or companies from outside our islands, thereby limiting opportunities for local residents to engage in such services. This situation not only undermines the economic prospects of local youths/ residents but also neglects their stake in the development and sustainability of local businesses.

They have requested to consider implementing a policy/ bye-laws by making necessary formal codification of the eligibility criteria that prioritizes the issuance of permits to local residents of these islands possessing the Islander Identity Card/ Local Certificate through necessary statutory codification in terms of the A & N Islands Motor Vehicle Rules and published/ notified in the A & N Gazette in accordance with law.

In this regard, it is to apprise that the order dated 12.2.2024 of Single bench of Hon'ble High Court has been challenged by the Department before the Division Bench of Hon'be High Court.

STA in its meeting dated 08/07/2024 was apprised that Legal Opinion on considering grant of Autorickshaw permits was obtained from the Law Department of A & N Administration and the Law Department opined as under:

"Since, the department has already preferred an Appeal before the Hon'ble Division Bench of Calcutta High Court challenging part of the Judgement dated 12.02.2024

Page 47 | 105

passed by Hon'ble Single Bench and the matter is sub-judice, as such, it would be advisable for the department to await the outcome of the Appeal to avoid any complication/contempt in the matter. However, department concerned may issue instruction to the Ld. Govt. Counsel to make submission before Hon'ble Court for early hearing and disposal."

Therefore, STA in its meeting dated 08/07/2024 decided that in consonance with the opinion of the Law Department, the decision may be deferred and the Govt. Counsel may be requested to take an early date for hearing.

STA was apprised that the matter pertaining to autorickshaw is under litigiation before the Honorable High Court. Hence, STA decided to defer the case awaiting judgement of the Honorable High Court.

2.3 MATTER RELATED TO SUSPENSION OF PERMITS / CANCELLATION OF NOCS OF AUTORICKSHAW (PCC)

Suspension of Permits & cancellation of NOCs as per the decision taken by STA in its meeting 09.06.2023:

In compliance with the decision of STA in its meeting held on 09.06.2023 in the matter of plying multiple autorickshaws by single person after obtaining permits in the name of different eligible persons, STA suspended27 permits passenger Autorickshaw and cancelled 07 NOCs. The individuals were given opportunity to make representation before STA with proper evidence that the vehicle is self financed and operated by him / her and that the vehicle is a single vehicle which is owned by them in these category, within a period of 15 days from the date of issuance of the individual orders.

Aggrieved by the decision of STA for **suspension of 27 permits**, **21** permit holders filed writ petitions before Hon'ble High Court at Calcutta in which the Hon'ble Court set aside all the 21 suspension orders with the direction to STA to give the petitioners an opportunity to hear in person and consider or reject their representations in accordance of law.

Complying with the above direction, all the petitioners were heard in person and given opportunity and after careful examination of records, submissions of petitioners in their representations dated 07.08.2023, 08.08.2023 & 09.08.2023, oral & material evidences produced by individual petitioners during their personal hearing on 16.08.2023, evidence furnished by the petitioners against the final opportunity vide orders dated 18.08.2023 and consideration of all the facts & circumstances of the case as per the provisions under Section 86 of MV Act, 1988, the brief of individual 21 cases were placed in the STA meeting held on 30.08.2023. STA in the said meeting examined all the 21 cases carefully and decided to cancel 07 permits with immediate effect as the allegation of misusing

the guidelines prescribed by STA for issuance of autorickshaw permit and given it to unauthorised person for driving the vehicle was clearly established.

To take appropriate decision in respect of the remaining 14 cases, STA decided to obtain additional information from the dealer, Financier and Traffic Police on each case. The matter was placed in the STA meeting held on 03.11.2023 wherein STA decided to suspend the permits of 07 permit holders for a period of 2 months and also obtain the details of the driver to enter in the permit. Complying with the decision of the STA, the 07 permits have been suspended. Of the remaining 07 cases, STA in the said meeting directed to obtain report from the Traffic Police.

STA in its meeting dated 08/07/2024 directed the Dy. SP (Traffic) to furnish the report within 15 days. Accordingly, reminder letter has been sent to Dy. SP (Traffic) to furnish the report at the earliest.

STA was apprised that the report from the Traffic Police has been recived which has been tabulated as under:

The applicant had again requested to consider her request for conversion of route permit from Contract Carriage to Stage Carriage for vehicle bearing registration No. ANO1/A-9919. The case was placed in the STA Meeting held on 08.07.2024 wherein STA after examining the case decided to refer the case to the Committee responsible for the examination of requests received for Stage Carriage Permits along with recommendation of a viable route for the operation of the said bus.

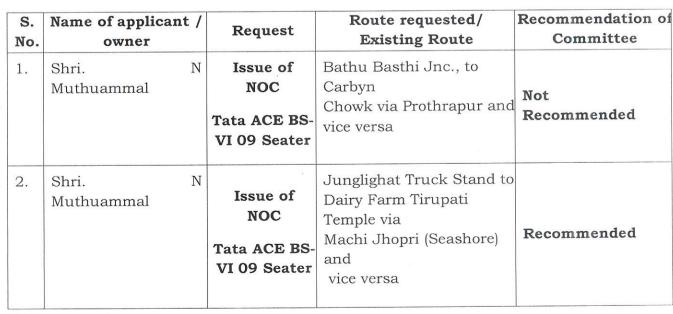

The report of the Committee has been received wherein the Committee did not consider the request of the applicant.

Decision:

STA after considering the fact that there are several buses of similar age plying as stage carriage vehicle in South Andaman route, hence no differential treatment can be meted out in grant of route permit. STA after examining the case, decided to obtain other viable route options from Smti. Ruchi Tiwari other than the 3 routes requested by her for the operation of her vehicle bearing registration number ANO1/A-9919 which shall be referred to the Committee constituted vide Order No. I/2359/2022 dated 03/11/2022 for examination.

5.1.e. Several applications had been received to ply **TATA Magic Express** as Stage Carriage permit in different routes of South Andaman. In the above context, it is to submit that TATA Magic Express has a passenger carrying capacity of 10 persons and falls under M2 category of vehicle. The cases were placed in the STA meeting held on 08/07/2024 wherein STA decided to submit the cases before the Committee constituted vide Order No.I/2359/2022 dated 03/11/2022 for its recommendation. 5.1.f. It is to apprise that **Smti. D. Asha Jagannathan** vide her application dated 21.08/2024 has requested permission for purchase of a new bus to use as spare bus for the stage carriage buses bearing registration number AN01/F-3868 and AN01/P-4466 having route permit to ply from Sri Vijaya Puram to Diglipur and vice versa.

In the said letter, the vehicle owner has stated that the said buses are making services daily from Sri Vijaya Puram to Diglipur and back the next day. In the event of any breakdown during the journey, it becomes difficult for making alternative arrangements for the passengers as no spare buses are available with them. Breakdown of buses in the ATR Route has become a regular feature nowadays due to bad condition of the road due to which it has been felt necessary to have a spare bus for use whenever emergency arises such as breakdown or major repairs of the existing vehicles.

In the above context, Section 72 (Grant of Stage Carriage Permit) (2) (xvii) of MV Act, 1988 states that "the vehicles to be kept reserve by the holder of the permit to maintain the operation and to provide for special occasions."

The details of the vehicles are as under:

9. "ARRIVE AND RIDE" CONCEPT

Shri. Ashraf Hanif, S/o. Mohammed Hanif, R/o. Doctors Colony, Nayagaon, Sri Vijaya Puram, Ph. No.: 9932088888/9531988888 vide his letter dated 16/09/2024 has requested permission for permit approval for 10 bikes for the "Arrive and Ride" project.

In the said letter, the applicant has stated that it is necessary for obtaining permits for 10 motorcylces for the successful launch of his project "Arrive and Ride" which is crucial for meeting the operational and cost-efficiency goals.

In the above context, it is to submit that STA in its meetings decided that a maximum of five fossil fuel driven two wheelers shall be permitted in the License under Rent a Motorcycle Scheme as the minimum number of two wheelers to obtain the license is five two wheelers. Any additional requirement would have to be with EVs only.

However, the applicant in his letter has stated that as per the recent communication received by him regarding the permits to ply only 05 motorcycles, he has stated that it would not be cost-effective given the operational costs and the need for a back up team which would also require transportation cost in the ATR passing through JTR (Jarawa Tribal Reserve), mechanics, tour operator and also a vehicle to carry the bikes and the passenger as well.

The applicant further requested permission for permit approval for 10 bikes for the "Arrive and Ride" project.

In the above context, it is to submit that the concept "Arrive and Ride" under Rent a Motorcycle Scheme has been approved by the STA.

Decision:

STA observed that the nature of operations of the concept "Arrive and Ride" is akin to the bike trips to Leh-Ladakh and is different from the normal operations under "Rent a Motorcycle Scheme" and involves travel over large distances and higher operational expenses.

Since the concept "Arrive and Ride" would open a new sector for tourism activities in the UT of Andaman of Nicobar Islands, STA approved the request of the applicant Shri. Ashraf Hanif for grant of NOC/ Permits for 10 Fossil Fuel driven motorcycles under Rent a Motorcycle Scheme.

STA further directed that the operation of vehicles under the concept of "Arrive and Ride" would be as per the guidelines formulated by STA which are given below.

- 1. The transportation of the said two wheelers through Jarawa Tribal Reserve (JTR) stretch on National Highway 4 (Jirkatang to Middle Straight and vice versa) should only be by truck by following the existing PAT regulations and convoy timings.
- 2. The riders of the motorcycles should travel in a separate vehicle through Jarawa Tribal Reserve (JTR) on National Highway 4 (Jirkatang to Middle Straight and vice versa).
- 3. Only motorcycles with gears complying to BS-VI or above emission norms having cubic capacity of not less than 180cc will be allowed under the license.
- 4. The motorcycles under the concept will always be operated in a convoy of not less than three motorcycles along the designated route only. The designated route shall be shared with the State Transport Authority electronically.
- 5. The individuals/ organizations having licence must ensure the safety of the riders by equipping them with proper riding gears and safety equipment such as certified helmets, riding jackets, riding trousers, gloves, boots, shin guards, elbow guards, knee guards, shoulder guards etc.
- 6. The individuals/ organizations having license must maintain a backup team to attend the mechanical/ electrical breakdowns occurring enroute and to provide immediate medical assistance in case of accidents.
