#### 1.2.a. FOSSIL FUEL TWO WHEELER (CC-2W)

## 1.2.a. SOUTH ANDAMAN (EXCEPT JARAWA RESERVE AREA, SHAHEED DWEEP, SWARAJ DWEEP AND LITTLE ANDAMAN)

STA was informed that 07 applicants have applied for NOCs to purchase 40 fossil fuel driven two wheelers for obtaining Contract Carriage (2-W) permits so that they can obtain license under Rent a Motorcycle Scheme.

However, to promote e-vehicles in the UT, STA in its previous meetings, decided that a maximum of five fossil fuel driven two wheelers shall be permitted in the License under Rent a Motorcycle Scheme as the minimum number of two wheelers to obtain the license is five two wheelers. Any additional requirement would have to be with EVs only.

As contract carriage permits are a pre-requisite to apply for license to rent out Two Wheelers under Rent a Motorcycle Scheme 1989, the applications have been considered by STA and approvals are given on case to case basis as mentioned in the TABLE: 06 below:

#### Decision:

STA after deliberation decided on the following with regard to issuance of permit to Autorickshaws:

(i) STA was apprised regarding the mandatory furnishing of "unemployed certificate" (issued by the Revenue Department) by the applicants for the grant of autorickshaw permits as decided by STA previously. It has been brought to the notice of STA that the applicants are facing too many difficulties in obtaining the

"Unemployment Certificate" from the concerned authorities and it is against the ease of doing business. STA further observed that the requirement of "Unemployment certificate" is not a mandatory requirement as per the MV Act or Rules and is causing inconvenience to the applicants. Hence, in order to simplify the procedure for grant of autorickshaw permits and promoting ease of doing business for general public, STA after deliberation decided to remove the criteria for furnishing of "unemployed certificate" (issued by the Revenue Department) for grant of autorickshaw permits.

- (ii) As regards to the issuance of NOCs/ Permits to Autorickshaws, STA after examination decided to approve the applications which were placed before the STA in its meetings dated 03/11/2023 and 05/01.2024 as mentioned in the above TABLE: 14 subject to the recommendations of the Committees constituted by STA. The owners of the Autorickshaw permit shall abide by the following conditions:
- a. The driver shall operate the Autorickshaw only by wearing the prescribed uniforms.
- b. Shall not ply the Autorickshaw without putting on the fare meter which should be in functional condition at all times.
- c. Shall park the Autorickshaw only at the designated parking space furnished by the owner and entered in the permit.
- d. In order to ensure proper implementation of the conditions, STA directed the Traffic Police and Transport Department to conduct regular enforcements and checks.
- e. Failure to comply with any of the existing or additional conditions prescribed by the STA shall result in suspension or cancellation of permit under the sections of MV Act.
- (iii) STA observed that even after furnishing the parking details and its subsequent verification by the officials followed by its endorsement in the permit, Permit owners continue to park their vehicles on the roads and road sides narrowing the effective carriage way which creates avoidable traffic congestion and other traffic hazards. Therefore STA noted the practice of unauthorised parking of commercial vehicles with serious concern and directed the Transport Department and Traffic Police to undertake regular as well as surprise checking of such unauthorised parking for taking penal actions against voilastors of permit conditions. This applies not only to Autorickshaws but also to all commercial vehicles which are parked on the roads and road shoulders.

**1.6.c. Smti. Ashalata Mondal,** W/o. Late Laxman Mondal, R/o. Laxmipur, Diglipur vide her application dated 17/06/2025 has requested for change of ownership of the autorickshaw bearing registration no. AN01/K-0420 in her name and transfer of permit from her deceased husband, Late. Laxman Mondal who is the registered owner of the said autorickshaw in her name and ply the said autorickshaw through a driver.

A.

In the above context, it is to submit that the registered owner i.e. Late. Laxman Mondal expired on 20/08/2022. Now, being the legal heir, Smti. Ashalata Mondal has requested to transfer the ownership and permit of the vehicle bearing registration number AN01/K-0420 in her name. The said autorickshaw was registered on 28/01/2015 in the name of Shri. Laxman Mondal having valid permit vide no. TSR/STA/19/1622 dated 18/03/2015 to ply in all routes of North & Middle Andaman with the validity expired on 17/03/2025.

Smti. Ashalata Mondal is an unemployed person possessing Islander Identity Card and does not have any other source of income for her family's livelihood. However, she does not possess valid driving licence which is one of the mandatory requirement for obtaining NOC/ Permit for plying passenger autorickshaw as on date. She has submitted the driving license of the driver, Shri. Pritam Mondal, S/o. Late Laxman Mondal, R/o. Laxmipur, Diglipur having valid driving license vide no. ANO1 20240004252 and Local Certificate vide no. 20231010LC20079 through which she would be plying the said autorickshaw.

It is to apprise that STA decided in its meeting held on 15/04/2021 that "in case of death of the permit owner, the permit may be transferred in the name of spouse who is not in possession of driving license or have crossed the age limit. Such similar cases can be permitted on case to case basis."

Smti. Ashalata Mondal has requested for transfer of ownership and permit of the vehicle bearing registration number AN01/K-0420 in her name and ply the said autorickshaw through a driver.

### Decision:

STA was apprised that Smti. Ashalata Mondal is a single lady and the only breadwinner of the house. Hence, STA decided to approve the request of Smti. Ashalata Mondal for Transfer of Ownership and Permit of the autorickshaw bearing registration number ANO1/K-0420 having route permit to ply in all routes of North & Middle Andaman of the Autorickshaw in her name and ply the said autorickshaw through a driver whose detail has been furnished by Smti. Ashalata Mondal.

**1.6.d. Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad** vide his letter dated 08/07/2025 has requested to consider his case for issuance of permit pertaining to passenger autorickshaw bearing registration number AN01/R-9136.

In the said letter he has stated that he is an unemployed youth and due to lack of other source of income, he had applied for autorickshaw permit for which he was issued NOC. Against the said NOC, he has purchased an autorickshaw and registered in the RTO, Port Blair. Now, the applicant has requested to issue him route permit so as to ply his autorickshaw.

Ais

In the above context, it is to submit that Shri. Deepak Uraon, S/o. Unju Uraon, R/o. Brookshabad applied for grant of NOC to ply autorickshaw in all routes of South Andaman vide his application dated 01/12/2022. His case was placed in the STA Meeting held on 13/02/2023 wherein STA approved the request of the applicant for grant of NOC. Accordingly, he was issued NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 to purchase the autorickshaw.

In the meantime, several complaints were recived by the STA wherein a single person was involved in the racket of plying multiple autorickshaws. The complaints were verified by scrutizing the database of the STA from VAHAN Portal and observed that though no single owner owns more than one Autorickshaw as per the records, but in many cases of NOC applications, same mobile number had been used to obtain multiple permits. This led to a conclusion that one person i.e. the owner of the mobile number is involved in the purchase and plying of Autorickshaw in the name of eligible persons by manipulating the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate.

The case of Shri. Deepak Uraon, S/o. Unju Uraon was one amongst the many cases. The case was placed in the STA meeting held on 09/06/2023 wherein STA decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA.

Accordingly, the NOC vide no. MT/STA/NOC-3/2023/846 dated 29/03/2023 issued in the name of Shri. Deepak Uraon, S/o. Unju Uraon was cancelled vide Order No. 2556 dated 05/07/2023.

However, on scrutiny of records, it has been observed that Shri. Deepak Uraon had already purchased and registered his autorickshaw against the said NOC on 31/05/2023.

Aggrieved by the decision of STA, Shri. Deepak Uraon then filed a writ petition vide no. WPA/842/2023 in the High Court at Calcutta, Circuit Bench at Port Blair in which the Hon'ble Court passed an order dated 12/02/2024 disposing the writ petition which has been stated at Point No. 1.7 of the Agenda.

The case was placed before the STA in its meeting dated 08/07/2024, 27/09/2024 & 04/02/2025 wherein STA was apprised that the matter pertaining to autorickshaw is under litigation before the Honorable High Court. Hence, STA took note of the status and decided to defer the case awaiting judgement of the Honorable High Court.

Now, the applicant Shri. Deepak Uraon has requested to consider his case for issuance of permit pertaining to passenger autorickshaw bearing registration number AN01/R-9136.

### **Decision:**

STA was apprised that Shri. Deepak Uraon obtained NOC from the STA to ply passenger autorickshaw in all routes of South Andaman after submitting all the required documents prescribed by STA but later it came to light that he furnished the phone number of a person who was involved in aggregating the Autorickshaws which amounted to wilful submission of wrong information which led to cancellation of the issued NOC. Now, Shri. Deepak Uraon submitted that phone number of a different person was given as at the place where he stayed did not have adequate network coverage. In order to receive the messages from the Transport Department office, he furnished a different phone number.

However, taking a lenient view in the matter, STA decided to issue autorickshaw permit to Shri. Deepak Uraon to ply his passenger autorickshaw in all routes of South Andaman by imposing applicable penalty.

**1.6.e. Shri. M. Gopi,** S/o. S. Sanyasi, R/o. Phoenix Bay, Ph. No.: 9679522523 vide his application no. AN24041526806865 dated 15/04/2024 applied for renewal of route permit of autorickshaw bearing registration number AN01/N-4734.

In the above context, it is to submit that Shri. M. Gopi, S/o. S. Sanyasi, R/o. Phoenix Bay, Sri Vijaya Puram, South Andaman is the registered owner of autorickshaw bearing registration number AN01/N-4734 having permit vide number TSR/STA/18/1860 dated 31.10.2018 with the validity upto 30.10.2023 to ply in all routes of South Andaman. It is to apprise that several complaints had been received by the STA Section alleging that few persons were involved in the racket of purchasing passenger Autorickshaw in the name of eligible person who were in possession of Local Certificate/ Islander Card and leasing out to Non-Islanders Autorickshaw drivers by manipulating the conditions set by STA for obtaining NOC/permits of passenger Autorickshaw.

As regards to the allegation of plying of multiple autos by single person by obtaining Autorickshaws in the name of different persons, existing data base of STA was scrutinized from the VAHAN Portal where the mobile number of owner/applicant is entered and it has been found that Autorickshaw permit/ NOC has been issued in the name of different owners. No single owner owns more than one autorickshaw as per the records but it is seen that same mobile numbers of the applicant is used to obtain permits in other names. This leads to a conclusion that one person i.e. the owner the of the mobile number may be involved in the purchase and plying of autorickshaw by misusing the guidelines prescribed by STA since 2007 i.e. to provide employment to the local unemployed youth possessing Islander card/ Local certificate.

Aiy

Accordingly, the STA in its meeting held on 09.06.2023 decided to suspend the permits of such kind in which same contact number has been used for obtaining permits in the name other eligible persons.

The case of Shri. M. Gopi was one among the many cases wherein the route permit were suspended.

Complying with the decision of STA, the route permit of the autorickshaw bearing registration number AN01/N-4734 was suspended vide Order No. 2560 dated 05/07/2023 with immediate effect.

Aggrieved by the decision of STA, Shri. M. Gopi filed a case vide No. WPA/828/2023 in which the Hon'ble Court passed an order dated 20/07/2023 that "the order dated 5th July, 2023 passed by the respondent no. 1 is set aside and directed that the petitioner shall submit a representation to the respondent no. 1 within a period of fifteen days from date. In event such representation is submitted, the said respondent shall consider the same, upon granting an opportunity of hearing to the petitioner and take a decision, in accordance with law and communicate the same to the petitioner by 17th August, 2023. In the event the petitioner's representation is rejected, the said order of the respondent no. 1 shall remain stayed for a period of seven days thereafter."

In compliance to the order dated 20/07/2023 of the Hon'ble High Court, Shri. M. Gopi was given an opportunity for personal hearing vide Order No. 7855 dated 14/08/2023 before the Secretary (STA) on 16/08/2023.

The findings were placed before the STA in its meeting dated 30/08/2023 wherein STA after examining the case decided the following:

- i. Accept the tax invoice dated 25.07.2018submitted by the Shri. M Gopi and accept the representation submitted by the applicant with the direction to the permit holder to comply with all the permit conditions mandated by the STA for plying of autorickshaw.
- ii. Dy. SP (Traffic) is directed to verify whether the name of the person driving the autorickshaw is same as entered in the permit or not?
- iii. After collection of the information from the Traffic Police, reasoned order will be issued.

As per the direction of the STA, the Dy.SP (Traffic) vide his letter dated 31/10/2023 informed that the vehicle no. AN01/N-4734 was found driving by N. Vignesh having DL No. TN6520120005195.

The matter was placed before the STA in its meeting dated 03/11/2023 wherein STA decided to suspend the permit for 02 months with the advice to the

permit holder to make representation against the suspension order if he wishes to. The permit holder may also be asked to furnish details of driver to enter in the permit.

Complying with the decision of STA, the route permit of the autorickshaw bearing registration number AN01/N-4734 was suspended vide Order No. 4545 dated 13/12/2023 for a period of 2 months with the direction to make representation against the suspension order if he wishes to and furnish details of driver to enter in the permit.

The permit holder Shri. M. Gopi has neither complied nor made any representation against the said suspension order till date.

It is to submit that as on date the route permit of the vehicle autorickshaw bearing registration number AN01N-4734 has expired on 30/10/2023 and the permit holder has applied for renewal of route permit vide his application dated 15/04/2024.

The case was placed before the STA in its meeting dated 12/02/2025 wherein STA taking a strict view, decided to issue Show Cause Notice to the applicant.

In compliance with the STA's decision dated 12/02/2025, a Show Cause Notice vide number MT/STA/AN01/N-4734/2025/3554 dated 30/04/2025 was issued to Shri. M. Gopi.

In response to the said Show Cause Notice, Shri. M. Gopi vide his application dated 05/05/2025 submitted his representation and requested to consider the matter sympathetically and refrain from cancelling or further suspending the route permit of the vehicle.

Taking strict view against the violation, the Competent Authority decided to impose a penalty of Rs. 8000/- vide Order No. 1286 dated 03/07/2025 and to revoke the suspension order vider Order No. 4545 dated 13/12/2023 in respect of permit of the vehicle bearing registration number AN01/N-4734.

The permit holder has remitted the penalty amount of Rs. 8000/- vide T.R. No. 0354801 dated 04/07/2025.

The case is placed before the STA for ratification.

### Decision:

ahiy.

STA ratified the revocation of permit suspension order in respect of vehicle owned by the permit owner Shri. M. Gopi.

# 1.7. STATUS OF LITIGATION AGAINST THE AUTORICKSHAW PERMIT HOLDERS:

It is to apprise that several complaints were received by STA stating that few persons are involved in the racket of purchasing passenger Auto-rickshaw in the name of eligible persons who are in possession of Local Certificate/ Islander Identity Card and leasing out the autorickshaws to Non-Islander Auto-rickshaw drivers by manipulating the conditions prescribed by STA for obtaining NOC/ Permits of passenger Auto-rickshaw. Therefore, STA after scrutinizing the VAHAN database, decided to suspend the Autorickshaw permits and cancel NOCs which have been obtained from STA after wilful submission of wrong information. STA, also directed the Traffic Police to conduct enforcement drive against any kind of violation of permit conditions pertaining to autorickshaw and submit fortnightly report to STA. Aggrieved by the decision of the STA, the autorickshaw owners filed writ petitions vide No. WPA/841/2023, WPA/842/2023, WPA/844/2023, WPA/846/2023 and WPA/11/2024, the said writ petitions were taken up for hearing on 12/02/2024, wherein the Hon'ble court disposed of the above mentioned writ petitions in terms of the answers given under the 4 issues and by way of the following directions:

- i. The condition restraining transfer of Permits, or any other conditions to the same effect, cannot be seen as being outside the statutory frame work. There is no scope for interference with regard to notices issued with specific regard to the Transfer of Permits or against the person who is otherwise unauthorized to drive the autorickshaw.
- ii. There is no scope for interference with regard to conditions which formed a part of the Permits at the time of issue and are within the parameters of the MV Act, including sections 73, 74, 82 and 86 thereof.
- iii. The respondents shall not give effect to the condition/ requirement for production of Islander Identity Card/ Local Certificate since such condition is not within the statutory contemplation. This condition has also been brought into effect through Meetings without following due procedure.
- iv. The respondents shall not give effect to any condition which was imposed subsequent to the date of the grant of Permit. This would mean conditions which were not part of the Permit granted by the respondents to the petitioners. The Court finds substance in the petitioners contention that the petitioners could not have been and were indeed not aware of the additional conditions imposed by the STA through its Meetings after the initial grant of Permits.
- v. The respondents shall only impose conditions within the mandate of the sections 73 & 74 of the MV Act for grant of new Permits and shall comply with the statutory requirements including under sections 84 and 85 of MV Act, 1988. Any additional conditions, including that of production of Local Certificate/ Islander Identity Card, will have to be put through the procedure envisaged under the MV Act and the A & N Islands M V Rules, 2006.

- The respondents shall be restrained from giving effect to the impugned notices including for suspension/ cancellation of Permits only if the notices were issued outside the statutory mandate of sections 82 and 86 of the MV Act.
- vii. Any conditions which are imposed subsequently shall be given effect to after 4 weeks from the communication of the condition to the concerned stakeholder/s.

Challenging the part of the order dated 12.02.2024 i.e. the direction issued at Sl. No. iii and v which were against the stand of the STA i.e. production of Islander card/ Local Certificate for obtaining autorickshaw permit, the department filed an appeal before the Hon'ble High Court.

STA in its meetings dated 08/07/2024, 27/09/2024, 04/02/2025 and 15/05/2025 took note of the present status of cases pertaining to autorickshaw and directed the Transport Department to pursue the case properly.

### Decision:

STA took note of the present status of the case pertaining to autorickshaw.

### 9.3. STRONG HYBRID ELECTRIC VEHICLES (SHEVS) (CC-4W) SHAHEED DWEEP:

STA was informed that a total of 19 applications (Including the 18 applications which were placed in the previous meetings held from 8/7/2024 onwards of STA and were deferred) have been received by the STA Section for grant of NOCs to purchase and ply the vehicle as Contract Carriage-4W, Strong Hybrid Electric Vehicles (SHEVs) in all routes of Shaheed Dweep. Out of the 19 applications, 03 different applicants have submitted more than one application.

#### Decision:

STA observed that SHEVs appeared to be the least polluting as these vehicles ply as EVs in slower speed and lesser loaded condition and don't rely on grid power for charging of its batteries. Moreover, the batteries are charged by BS-VI IC Engine and the KMPL of SHEVs are more compared to normal ICE vehicles thereby reducing afterburn pollutants from the engine. Therefore, STA after examining the applications received for grant of NOCs to purchase and ply Strong Hybrid Electric Vehicles (SHEVs) as Contract Carriage-4W decided to rationalise the permits by allowing one permit to one applicant and approved the following 16 applications as mentioned in TABLE: 29 below:

#### 9.8. FOSSIL FUEL VEHICLES (CC) SHAHEED DWEEP:

STA was informed that a total of 99 applications have been received by the STA Section for grant of NOCs to purchase and ply the vehicle as **Contract Carriage, Fossil Fuel Vehicles** in all routes of **Shaheed Dweep.** Out of the 99 applications, 04 applications have been made by the applicants to purchase and ply M2 & M3 Category vehicles at Shaheed Dweep.

#### Decision:

STA after examining the applications received for grant of NOCs to purchase and ply Fossil Fuel Vehicles as Contract Carriage observed that smaller contract carriage fossil fuel vehicles may further congest the roads. Therefore, STA decided to promote the use of M2 and M3 category of vehicles as these are larger vehicles and approve the under mentioned 04 applications as mentioned in TABLE: 34 in Shaheed Dweep as a measure to promote mass transport:

Out of the 8 applications, 01 applicant has submitted more than one application.

#### Decision:

STA after examining the applications received for grant of NOCs to purchase and ply Electric Vehicles (EVs) as Contract Carriage-4W decided to rationalise the permits by allowing one permit to one applicant and approved the following 7 applications as mentioned in TABLE: 37 below:

STA noted that multiple applications for grant of commercial vehicle permits have been received from applicants. Therefore, STA after examination decided to grant only one permit to one applicant now and rejected the following 01 application as mentioned in TABLE: 38 below:

### 10.2. STRONG HYBRID ELECTRIC VEHICLES (SHEVS) (CC-4W) SWARAJ DWEEP:

STA was informed that a total of 63 applications have been received by the STA Section for grant of NOCs to purchase and ply the vehicle as Contract Carriage-4W, Strong Hybrid Electric Vehicles (SHEVs) in all routes of Swaraj Dweep (Which includes all the applications placed in the previous meetings of STA).

#### Decision:

STA observed that SHEVs appeared to be the least polluting as these vehicles ply as EVs in slower speed and lesser loaded condition and don't rely on grid power for charging of its batteries. Moreover the batteries are charged by BS VI IC Engine and the KMPL of SHEVs are more compared to normal ICE vehicles thereby reducing afterburn pollutants from the engine. Therefore STA after examining the applications received for grant of NOCs to purchase and ply Strong Hybrid Electric Vehicles (SHEVs) as Contract Carriage-4W decided to rationalise the permits by allowing one permit to one applicant and also decided to consider the applications submitted before 31.12.2024. Accordingly, STA approved the following 35 applications as mentioned in TABLE: 39 below:

## 10.4. APPLICATIONS FOR TRANSFER OF PERMIT WITHOUT CHANGE OF ROUTE:

#### Decision:

STA after examining the cases, decided to approve the transfer of permits (Within the Island) in respect of the 03 applications in the name of applicant appearing at S. No. 1-3 as mentioned below in TABLE: 43 without change in Route/ Jurisdiction of permit.

10.5. Shri. Anujoy Mondal, S/o. Late. Jiten Mondal, R/o. Urmilapur, North & Middle Andaman vide his application dated 03/07/2025 has requested for change of vehicle in the NOC/ Permit from Water Tanker to Truck (TATA 912 LPT) to ply in all routes of Swaraj Dweep.

In the above context, it is to submit that Shri. Anijoy Mondal vide his application dated 14/07/2022 had applied for grant of NOC/ Permit to ply water tanker in all routes of Swaraj Dweep.

Since, the applicant fulfilled all the criteria for grant of NOC/ Permit, the case was placed before the STA for grant of NOC/ Permit.

Considering the shortage of water tankers at Swaraj Dweep and to prevent the unauthorized transportation of water through sintex, STA in its meeting dated 15/05/2025 decided to consider the applications received for Water Tankers by restricting it to one permit per applicant only subject to the condition that the

Anis

vehicle should be BS-VI compliant and while operating the water tankers should be in possession of the permission granted by the concerned agency for ground water extraction.

Accordingly, the applicant was issued letter dated 01/07/2025 to submit the security deposit so as to process the case further for grant of NOC to ply water tanker in all routes of Swaraj Dweep.

Now, the applicant, Shri. Anujoy Mondal vide his application dated 03/07/2025 has requested for change of vehicle in the NOC/ Permit from Water Tanker to Truck (TATA 912 LPT) to ply in all routes of Swaraj Dweep.

#### Decision:

STA after examining the case, decided to reject the request of Shri. Anujoy Mondal for change of vehicle in the NOC/ Permit from Water Tanker to Truck (TATA 912 LPT) to ply in all routes of Swaraj Dweep as the requests of PC permits for trucks were not considered in the meeting held on 15.5.2025 and there were many applicants who had applied earlier than Shri. Anujoy Mondal for permit of truck.

10.10. Shri. Nani Gopal Das, S/o. Lalit Mohan Das, R/o. Krishna Ngar, Swaraj Dweep vide his application dated 09/07/2025 has requested for issuance of NOC for purchase of Oil Tanker to ply in Swaraj Dweep.

In the said letter, the applicant has stated that he had applied for NOC for purchase of 02 oil tankers to ply in Swaraj Dweep. The acknowledgment receipts of his application are enclosed for reference. In respose to his application, STA has considered NOC for purchase of one oil tanker and issued NOC vide No. MT/STA/NOC-4/2025/245 dated 01.07.2025.

The applicant has further stated that Swaraj Deep is the most popular tourist destination in the UT and more than 1000 tourists are visiting daily in this island. Uninterrupted supply of petrol/ diesel for transport and other purpose, IOC has established there petrol bunks (02 for general public & Govt. establishments and one dedicatedly for Taj Hotel) in this Island. Apart from these petrol bunks, Electricity Department and private Hoteliers keep diesel stores diesel for power supply. In short, good quality of diesel/ petrol is required for daily usage in Swaraj Dweep. The transportation of diesel/ petrol from Sri Vijaya Puram to Swaraj Dweep is carried out through Tanker Ships and thereafter transported through oil tanker vehicle up to petrol bunks and storage tanks. Presently only two oil tankers are available in this Island which are owned by M/s Lal Baba. The above said mainland based firm brought vehicles from mainland and entered into transportation contact with IOC through tendering process. To execute the transportation contract of diesel/ petrol either for IOC or for private hoteliers, one has to have minimum two oil tanker vehicles.

Furthermore, the repair and maintenance facility of vehicles are very limited in the absence of expert technician and other infrastructure. Moreover, the latest BS-VI norms vehicles need dealer assistance to diagnose the any kind of mechanical/ electrical defects. In the event of repair, the technical assistance from Sri Vijayapuram takes considerable time. In such events, one has to have at least one spare vehicle of the same nature to execute the contract. In the absence of oil tankers with other private persons, there is no scope for a make shift arrangements to carry out the fuel transportation works.

In the above context, it is to submit that STA in its meeting dated 15/05/2025 has considered the request of Shri. Nani Gopal Das for grant of NOCs to purchase and ply Fossil Fuel Vehicles as Oil Tankers by restricting it to one permit per applicant only subject to the codition that the vehicle should be BS-VI compliant.

Now, the applicant, Shri. Nani Gopal Das is requesting to consider his application and issue NOC for purchase of one more oil tanker TATA 1921 so as enable to execute contract for uninterrupted transportation of diesel/ petrol in Swaraj Dweep.

#### Decision:

STA after examining the case, decided to approve the request of Shri. Nani Gopal Das to purchase and ply Fossil Fuel vehicles as Public Carriers (PC-Oil Tanker) in Swaraj Dweep as he had applied for two permits on 28/06/2023 against which only one permit was granted in the meeting of STA held on 15/5/2025 subject to the below mentioned conditions:

- 1. The vehicle should be BS-VI compliant.
- 2. The vehicle shall be plied only during the night hours from 08:00 PM to 05:00 AM to avoid traffic congestion unless special permission is given.

#### 10.4. ELECTRIC VEHICLES (EVS) (PC-4W) SWARAJ DWEEP:

STA was informed that that a total of **03 applications** as mentioned in **TABLE: 44** have been received by the STA Section for grant of NOCs to purchase and ply the vehicle as **Public Carriers (PC)**, **Electric Vehicles** in all routes of **Swaraj Dweep**.

#### Decision:

STA after examination decided to approve the 03 applications as mentioned in the TABLE: 44 below for grant of NOCs to purchase and ply the vehicle as Public Carriers (PC), Electric Vehicles in all routes of Swaraj Dweep in order to promote e-vehicles in the UT.

## 10.5. FOSSIL FUEL VEHICLES (CC) SWARAJ DWEEP:

STA was informed that a total of 133 applications have been received by the STA Section for grant of NOCs to purchase and ply the vehicle as **Contract Carriage, Fossil Fuel Vehicles** in all routes of **Swaraj Dweep.** Out of the 133 applications, 12 applications have been received by the applicants to purchase and ply M2 & M3 Category vehicles at Swaraj Dweep. Out of the 12 applications, 02 different applicants have submitted more than one application.

#### Decision:

STA after examining the applications received for grant of NOCs to purchase and ply Fossil Fuel Vehicles as Contract Carriage observed that smaller contract carriage fossil fuel vehicles may further congest the roads. Therefore, STA decided to promote the use of M2 and M3 category of vehicles as these are larger vehicles and approve the under mentioned 10 applications as mentioned in TABLE: 45 in Swaraj Dweep as a measure to promote mass transport:
