TABLE-10

Sl. No.	Name of the applicant	Type of vehicle	Parking area details	Route applied
1	Shri. R Veera Raj, S/o P Ramasamy, R/o Haddo, Ph. 9434281598/ 9933081598	Ashok Leyland 40 ft. Trailer U4620	Shri. R Veera Raj Sy No. 1908 Park Area: 50 sqmtrs, Total Area: 9000 Sqmtr Vill. Calicut	South Andaman

STA was appraised that the applicant earlier applied for NOC for purchase of already registered BS-IV 40 ft. Trailer without mentioning the route and timing. The case was earlier placed in the STA meeting held on 03/08/2022, in which STA did not consider the request of the applicant and decided to obtain clarification from the applicant. Accordingly, the applicant was informed the decision and in response, the applicant has now requested to issue NOC for Ashok Leyland BS VI GCV U4620 (40 Feet Trailer) in the routes of South Andaman District between Ports of Haddo, Chatham, Junglighat, Coast Guard to Port Mort, Middle Strait and vice versa with its limited operation during night timing between 08.00 PM to 06.00 AM or the timing as preferred by STA.

While analyzing the vehicle dimensions and the route proposed, **STA decided to forward the case to Traffic Police to obtain thier views & comments on the feasibility of the route and timing proposed by the applicant. The views may be submitted by 31.10.2022 to place the same before STA in its next meeting scheduled on 14.11.2022.**

V. Issue of NOC for Stage Carriage Permit

STA was appraised that Ms. V Anita has applied for issue of NOC to purchase of Stage carriage bus for any of the below mentioned routes:

- (i) Chatham to Garacharma; or
- (ii) Chatham to Calicut; or
- (iii) Chatham to Carbyn Chowk

As per the request, the Assistant Director (T) has analyzed and recommended to allot the route 'Chatham to Carbyn Chowk via Shadipur'.

It has come to notice of the STA that there are many routes and timings in which buses are required for the convenience of the local citizens. Due to non-availability of Buses in some of the routes, general public has to walk long distances to reach to the nearest bus stands to board the buses. STA further observed that there are many routes in which sufficient buses at required frequency are not available. In view of the above, **STA decided to defer the case till the next STA meeting with the direction to constitute a Committee comprising officials from Police & Transport. The Committee shall examine the present demands of stage carriage buses in Port Blair and recommend the routes in which buses are required and subject to the decision of STA, the list shall be published for the general citizens allowing the applicant to apply for NOC for Stage Carriage permit for such routes.**

Agenda Point No. 2

Transfer of Permit:

STA was informed that the cases that **36 vehicle owners** have requested for transfer of permits from one owner to another owner and there is no change in the jurisdiction of permits already issued. As it is permitted under Section 82 of MV Act, **STA approved the transfer of permit in respect of 36 applications without change in the Route/Jurisdiction of permit.** List of applications is given in table-11 below:
